**The Trump Presidency in Editorial Cartoons** Natalia Mielczarek, 2023-09-18 The Trump Presidency in Editorial Cartoons engages with close to one thousand editorial cartoons to analyze the visual representations of President Donald Trump and his responses to six news events during his term in office Natalia Mielczarek traces the mechanisms through which the drawings construct the president's image and their potential rhetorical consequences for interpretation Through this analysis Mielczarek argues that the right leaning cartoons largely erase the president's likeness from their plotlines acting as a shield against accountability for Trump Left leaning cartoons on the other hand tend to clone the president and exaggerate his image in most of their stories often functioning as tools of symbolic censure and punishment Through these de and re contextualization tactics that make President Trump either largely absent or hyper present in the narrative the cartoons construct inadvertent rhetorical paradoxes and coalesce around ideological heroes and villains This result Mielczarek posits more closely resembles partisan propaganda rather than political commentary and social critique Scholars of communication political science and media studies will find this book of particular interest **The Best Political**

**Cartoons of the Year, 2010 Edition, Portable Documents** Daryl Cagle, Brian Fairrington, 2009-09-04 The Best of the Year in Editorial Cartoons The best cartoonists in the world contributed to this collection of the best cartoons of 2009 from Daryl Cagle's Political Cartoonists Index the most popular cartoon site on the Web www.cagle.com More than 600 cartoons cover the major topics of the historic year when America saw its first black president sworn into office The economy sank despite humungous bailouts and unemployment hit new highs not to mention the drama of Octomom Sotomayor Swine Flu GM's bankruptcy Iran's election chaos and the death of Michael Jackson This cool book chronicles the history of the year 2009 with

cartoons you ll never forget      **Depicting Canada's Children** Loren Lerner,2011-04-07 Depicting Canada s Children is a critical analysis of the visual representation of Canadian children from the seventeenth century to the present Recognizing the importance of methodological diversity these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts But rather than simply examine images in formal settings the authors take into account the components of the images and the role of image making in everyday life The contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of Canada and our assumptions about them Rather than offer comprehensive historical coverage this collection is a catalyst for further study through case studies that endorse innovative scholarship This book will be of interest to scholars in art history Canadian history visual culture Canadian studies and the history of children      Abraham Lincoln for Kids Janis Herbert,2007-07-01 Providing a fresh perspective on one of the most beloved presidents of all time this illuminating activity book tells the rich story of Abraham Lincoln s life and details the events of his era Highlighting Lincoln s warm generous spirit and impressive intellect the guide teaches children about his fascinating life story his struggles at the onset of the Civil War and his relevance in today s world Activities include delivering a speech holding a debate drawing political cartoons and making a stovepipe hat or miniature Mississippi River flatboat Lively sidebars abundant photographs and illustrations and fun projects help to kick the dust off old Honest Abe Also included are selections from some of Lincoln s most famous speeches and documents as well as a resource section of Web sites to explore and sites to visit making this a comprehensive Lincoln biography for young readers      **TIME for Kids: Kid Reporter Field Guide** Hannah Rose Holzer,2024-12-31 Learn how to be a junior journalist with this TIME For Kids Field Guide This field guide teaches you how to write many types of articles across several different sections including News Opinion Reviews Arts and Culture Sports and more Learn how to be a journalist in this book that explains how to interview sources cover sports events critique restaurants write features on impactful people and create great articles This guide also features biographies on several famous journalists throughout history including Ida B Wells and Nellie Bly Providing reliable sources for parents and educators for over 25 years the TIME for Kids field guide is an excellent gift for young readers who want to learn more about the world and how to write about it      Editorial Cartoons by Kids, 1999 ,1999 Contains one hundred editorial cartoons selected from over ten thousand entered in the 1999 Student Editorial Cartoon Contest sponsored by NewsCurrents and Zino Press      **Graphic Opinions** Jack Coldeweih,Kalman Goldstein,1998 Through profiles and essays Graphic Opinions examines current work and opinions of two dozen prominent cartoonists      **American Political Cartoons** Sandy Northrop,2017-07-05 From Benjamin Franklin s drawing of the first American political cartoon in 1754 to contemporary cartoonists blistering attacks on George W Bush and initial love affair with Barack Obama editorial cartoons have been a part of American journalism and politics American Political Cartoons chronicles the nation s highs and lows in an extensive collection of cartoons that span the entire history of

American political cartooning Good cartoons hit you primitively and emotionally said cartoonist Doug Marlette A cartoon is a frontal attack a slam dunk a cluster bomb Most cartoonists pride themselves on attacking honestly if ruthlessly American Political Cartoons recounts many direct hits recalling the discomfort of the cartoons targets and the delight of their readers Through skillful combination of pictures and words cartoonists galvanize public opinion for or against their subjects In the process they have revealed truths about us and our democratic system that have been both embarrassing and ennobling Stephen Hess and Sandy Northrop note that not all cartoonists have worn white hats Many have perpetuated demeaning ethnic stereotypes slandered honest politicians and oversimplified complex issues

**Cool Things to Do If a Bully's Bugging You**

Catherine DePino, 2016-02-17 Cool Things to Do If a Bully's Bugging You 50 Classroom Activities to Help Elementary Students aims to help students facing bullying and other problems while they're actually experiencing them. The activities feature a multidisciplinary approach that encourages speaking, listening, reading, and writing activities to complement curricular goals in English language arts and social studies. Principals, teachers, and counselors will want to use this book in their bully prevention programs by involving children, parents, and the entire school family in their drive to create a bully-free school. The book includes classroom activities and also involves parents in the learning process by having them discuss bullying issues with their children in a Talk It Out section that concludes each chapter. Research shows that involving the bullied child, the home, and the school community has proven the most successful approach to helping kids remain bully-free. The book also includes kid-friendly quizzes to help reinforce the concepts covered in every chapter. Students and teachers alike will find the variety of activities in this book informative, kid-friendly, and best of all, enjoyable.
