and finally the falling out after his own death of family members and those in his inner circle Ed's image was that of a simple straightforward man but in reality he was a complex bundle of paradoxes He was an individualist who always worked with a team a young loner who came to be loved by millions a sometimes distant father who was seen as a surrogate parent by thousands of Nepalese and a left leaning thinker who accepted the highest order of chivalry from Queen Elizabeth II This is the story of the man behind the legend
