*Anarchism and Education* Judith Suisa, 2010-09-15 While there have been historical accounts of the anarchist school movement there has been no systematic work on the philosophical underpinnings of anarchist educational ideas until now Anarchism and Education offers a philosophical account of the

neglected tradition of anarchist thought on education Although few anarchist thinkers wrote systematically on education this analysis is based largely on a reconstruction of the educational thought of anarchist thinkers gleaned from their various ethical philosophical and popular writings Primarily drawing on the work of the nineteenth century anarchist theorists such as Bakunin Kropotkin and Proudhon the book also covers twentieth century anarchist thinkers such as Noam Chomsky Paul Goodman Daniel Guérin and Colin Ward This original work will interest philosophers of education and educationalist thinkers as well as those with a general interest in anarchism

**Liberalism, Education and Schooling** T.H. McLaughlin, 2017-03-27 A tribute collection of essays edited by author's colleagues and friends

*Epistemologies and Ethics in Adult Education and Lifelong Learning* Richard G. Bagnall, Steven Hodge, 2022-02-17 This book presents and advocates for a framework of competing epistemologies and conceptions of ethics as a way of understanding modernist lifelong learning These epistemologies are grounded in a recognition of the normative nature of knowledge that informs lifelong learning each being framed by a different account of the sort of knowledge that is most valued and therefore foregrounded in lifelong learning policy provision and engagement informed by the epistemology Each epistemology is also characterised by its constituent conception of ethics Four such epistemologies and conceptions of ethics are here recognised as having been important in the lifelong learning movement to date disciplinary developmental emancipatory and design The authors argue that assumptions about knowledge and moral positions constitute a powerful but not well understood feature of such arguments awareness of these assumptions and positions could serve to powerfully advance the overall understanding of what is at stake in lifelong learning and adult education at all levels

**Beyond Liberal Education** Robin Barrow, Patricia White, 2013-01-11 This collection of essays by philosophers and educationalists of international reputation all published here for the first time celebrates Paul Hirst's professional career The introductory essay by Robin Barrow and Patricia White outlines Paul Hirst's career and maps the shifts in his thought about education showing how his views on teacher education the curriculum and educational aims are interrelated Contributions from leading names in British and American philosophy of education cover themes ranging from the nature of good teaching to Wittgensteinian aesthetics The collection concludes with a paper in which Paul Hirst sets out his latest views on the nature of education and its aims The book also includes a complete bibliography of works by Hirst and a substantial set of references to his writing

**The Minoritisation of Higher Education Students** Ruth Mieschbuehler, 2017-07-28 Research into ethnic attainment differences in British higher education and elsewhere tends to depict students from minority ethnic backgrounds as disadvantaged marginalised discriminated against and excluded In *The Minoritisation of Higher Education* Mieschbuehler demonstrates that this idea is shaping theoretical perspectives and informing higher education policies and practice across the country yet current university policies and practices perpetuate rather than ameliorate the educational status of so called minority ethnic students Including an examination of current theories as well as a wealth of empirical data from students this book explains

how group based social differentiation and student centred education foster the idea that ethnic and social attributes matter losing any sense of our common humanity Considering the consequences of this for students and university education as a whole and challenging all pre existing ideas of how to approach reported ethnic attainment gaps The Minoritisation of Higher Education is a thought provoking read The book will be of great interest to scholars postgraduate students and professionals in the areas of higher education learning and teaching equality and diversity ethnicity and attainment It is also an important work for policymakers concerned with higher education

**Education with Character** James Arthur, 2003 Education with character is the latest buzzphrase but until now there s been no real consensus on some of the key issues This book addresses the gap adopting a cross disciplinary approach to the matters in hand

**Teaching for Commitment** Elmer John Thiessen, 1993 Elmer Thiessen provides a comprehensive critical survey of the debate concerning indoctrination especially in the context of confessional religious education His central aim is to establish that indoctrination as a result of religious instruction is neither inevitable nor as probable as is often assumed by advocates of liberal education Thiessen recognizes that indoctrination can occur in Christian homes and schools He believes however that before the charge of indoctrination can be correctly evaluated we need to develop a more coherent concept of the term He provides a critical examination of the four criteria traditionally associated with indoctrination content method intention and consequences and of the institutional context of indoctrination

**The Dangerous Rise of Therapeutic Education** Kathryn Ecclestone, Dennis Hayes, 2009-05-07 The silent ascendancy of a therapeutic ethos across the education system and into the workplace demands a book that serves as a wake up call to everyone Kathryn Ecclestone and Dennis Hayes controversial and compelling book uses a wealth of examples across the education system from primary schools to university and the workplace to show how therapeutic education is turning children young people and adults into anxious and self preoccupied individuals rather than aspiring optimistic and resilient learners who want to know everything about the world The chapters address a variety of thought provoking themes including how therapeutic ideas from popular culture dominate social thought and social policies and offer a diminished view of human potential how schools undermine parental confidence and authority by fostering dependence and compulsory participation in therapeutic activities based on disclosing emotions to others how higher education has adopted therapeutic forms of teacher training because many academics have lost faith in the pursuit of

knowledge how such developments are propelled by a deluge of political initiatives in areas such as emotional literacy emotional well being and the soft outcomes of learning The Dangerous Rise of Therapeutic Education is eye opening reading for every teacher student teacher and parent who retains any belief in the power of knowledge to transform people s lives Its insistent call for a serious public debate about the emotional state of education should also be at the forefront of the minds of every agent of change in society from parent to policy maker      **Philosophical Issues In Education** Cornel M.

Hamm,2003-09-02 First published in 1989 Routledge is an imprint of Taylor Francis an informa company      Debating Humanism Dolan Cummings,2018-08-14 Features a cross disciplinary dialogue among writers who are sympathetic to the humanist tradition and interested in developing a new humanist project through debate
