world long vanished The Making and Unmaking of A Revolutionary Family Hamilton,2003-04-29 In mid April 1814 the Virginia congressman John Randolph of Roanoke had reason to brood over his family s decline since the American Revolution The once sumptuous world of the Virginia gentry was vanishing its kinship ties crumbling along with its mansions crushed by democratic leveling at home and a strong federal government in Washington D C Looking back in an effort to grasp the changes around him Randolph fixated on his stepfather and onetime guardian St George Tucker The son of a wealthy Bermuda merchant Tucker had studied law at the College of William and Mary married well and smuggled weapons and fought in the Virginia militia during the Revolution Quickly grasping the significant changes political democratization market change and westward expansion that the War for Independence had brought changes that undermined the power of the gentry Tucker took the atypical step of selling his plantations and urging his children to pursue careers in learned professions such as law Tucker s stepson John Randolph bitterly disagreed precipitating a painful break between the two men that illuminates the transformations that swept Virginia in the late eighteenth and early nineteenth centuries Drawing upon an extraordinary archive of private letters journals and other manuscript materials Phillip Hamilton illustrates how two generations of a colorful and influential family adapted to social upheaval He finds that the Tuckers eventually rejected wider family connections and turned instead to nuclear kin They also abandoned the liberal principles and enlightened rationalism of the Revolution for a romanticism girded by deep social conservatism The Making and Unmaking of a Revolutionary Family reveals the complex process by which the world of Washington and Jefferson evolved into the antebellum society of Edmund Ruffin and Thomas Dew **John Randolph of Roanoke, 1773-1833** William Cabell Bruce,2015-09-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *A Biography of John Randolph, of Roanoke, With a Selection From His Speeches* Lemuel Sawyer,2023-07-18 This book provides a comprehensive biography of John Randolph of Roanoke a prominent politician and orator during the early 19th century It includes a selection of his speeches making it a valuable resource for those interested in political history and oratory This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the
