[The Latina/o Pathway to the Ph.D.](#) Jeanett Castellanos,Alberta M. Gloria,Mark Kamimura,2023-07-03 The Latina o population constitutes the largest racial and ethnic minority group in the U S and is disproportionately under represented in college and in graduate programs This is the first book specifically to engage with the absence of Latinas os in doctoral studies It proposes educational and administrative strategies to open up the pipeline and institutional practices to ensure access support models and training for Latinas os aspiring to the Ph D The under education of Latina o youth begins early Given that by twelfth grade half will stop out or be pushed out of high school and only seven percent will complete a college degree it is not surprising so few enter graduate studies When Latina o students do enter higher education few attend those colleges or universities that are gateways to graduate degrees Regardless of the type of higher education institution they attend Latinas os often encounter social and academic isolation unaffordable costs and lack of support This historic under representation has created a vicious cycle of limited social and economic mobility There is a paucity of the Latina o faculty and leaders whom research shows are essential for changing campus climate and influencing institutions to adapt to the

needs of a changing student body As a result Latina o graduate students often have few role models advocates or mentors and limited support for their research agendas By reviewing the pipeline from kindergarten through university this book provides the needed data and insights to effect change for policy makers administrators faculty and staff and material for reflection for aspiring Latina o Ph D s on the paths they have taken and the road ahead The book then addresses the unique experiences and challenges faced by Latinas in doctoral programs and offers guidance for students and those responsible for them Chapters cover issues of gender and generational differences the role of culture in the graduate school mentorship pursuing research and professional development opportunities for Latinas The book closes with the voices of by Latina o students who are currently pursuing or recently completed their doctoral degree These narratives describe their cultural and educational journeys providing insight into their personal and professional experiences These stories bring alive the graduate experience for anyone interested in successful recruitment retention and graduation of Latina o doctoral students an
