of a new Earth which has emerged since the holocaust There are classic supernatural stories present too Metzengerstein is a horror story of murder supernatural revenge and a prophetic curse The thing to remember about Poe is that he is a sufficiently important figure in the history of literature that it is worthwhile to read his entire output No one really cares about the whole body of the work of say W W Jacobs the author of The Monkey s Paw mostly humorous sea stories some of them topical of little interest today But Poe is different He is more than just the author of The Raven and The Masque of the Red Death That is why he fills five volumes
