Edmund Blunden Writers And Their Work No 93:

English Poetry of the First World War John H. Johnston, 2015-12-08 The author deals with the shock of World War I as it was registered in the work of Rupert Brooke Siegfried Sassoon Edmund Blunden Wilfred Owen Isaac Rosenberg Herbert Read and David Jones He finds in Read and Jones the culmination of a tendency away from personal lyric response toward formal control and a positive vision Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries, 1979 **The Joseph M. Brucoli Great War Collection at the University of South Carolina** Elizabeth A. Sudduth, 2005 Brucoli Great War Collection at the University of South Carolina An Illustrated Catalogue provides a reference tool for the study of one of the great watershed moments in history on both sides of the Atlantic serving historians researchers and collectors **Undertones of War** Edmund Blunden, 2015 Edmund Blunden 1896 1974 was one of the youngest of the war poets enlisting straight from school to find himself in some of the Western Front s most notorious hot spots His prose memoir written in a rich allusive vein full of anecdote and human interest is unique for its quiet authority and for the potency of its dream like narrative Once we accept the archaic conventions and catch the tone which can be by turns horrifying or hilarious Undertones of War gradually reveals itself as a masterpiece It is clear why it has remained in print since it first appeared in 1928 This new edition not only offers the original unrevised version of the prose narrative written at white heat when Blunden was teaching in Japan and had no access to his notes but provides a great deal of supplementary material never before gathered together Blunden s Preliminary expresses the lifelong compulsion he felt to go over the ground again and for half a century he prepared new prefaces added annotations All those prefaces and a wide selection of his commentaries are included here marginalia from friends first editions remarks in letters extracts from later essays and a substantial part of his war diary John Greening has provided a scholarly introduction discussing the bibliographical and historical background and brings his poet s eye to a much expanded and more representative selection of Blunden s war poetry For the first time we can see the poet Blunden as the major figure he was Blunden had always hoped for a properly illustrated edition of the work and kept a folder full of possible pictures The editor with the Blunden family s help has selected some of the best of them to include in this new edition Jacket **The Year's Work in English Studies** ,1960 **Z. Angl. Am** ,1958 **Author Catalogue of Printed Books in European Languages** National Library (India), 1964 The Poetry of World War I John H.
