Originally published Chicago Regnery Gateway 1963 Includes bibliographical references p 699 702 The Writings and Speeches of Edmund Burke: Volume IX: Part I. The Revolutionary War, 1794-1797; Part II. Ireland Edmund Burke, 1991 This volume of Burke's writings and speeches is divided into two parts The first covers the period between the time of his retirement from the House of Commons in 1794 and his death in 1797 His main preoccupation during this period was of course the French Revolution and the progress of the war against France Surveying developments with dismay and apprehension he produced a critique of the Revolution which expressed much of his mature thinking on political and social life and issued a clarion call for a European crusade to save civilization Part II contains Burke's writings and speeches relating to Ireland From his entry into political life he was intensely interested in Irish problems religious economic and constitutional and in Anglo Irish relations Fervently believing that Great Britain and Ireland should be partners within the Empire in his last years he was deeply disturbed by the influence of the French Revolution on Irish politics The Writings and Speeches of Edmund Burke: Volume II: Party, Parliament and the American Crisis, 1766-1774 Edmund Burke, 1981-04-09 A scholarly edition of the writings and speeches of Edmund Burke The edition presents an authoritative text together with an introduction commentary notes and scholarly apparatus The Writings and Speeches of Edmund Burke Edmund

Burke, 2008-01-01 This 12 volume set contains the complete life works of EDMUND BURKE 1729 1797 Irish political writer and statesman Educated at a Quaker boarding school and at Trinity College in Dublin Burke s eloquence gained him a high position in Britain s Whig party and he was active in public life He supported limitations on the power of the monarch and believed that the British people should have a greater say in their government In general Burke spoke out against the persecutions perpetuated by the British Empire on its colonies including America Ireland and India Burke s speeches and writings influenced the great thinkers of his day including America s Founding Fathers In Volume II readers will find Speech on American Taxation Speeches on the Arrival at Bristol and at the Conclusion of the Poll Speech on Moving Resolutions for Conciliation with America Letter to the Sheriffs of Bristol On the Affairs of America Two Letters to Gentlemen of Bristol On the Bills Depending in Parliament Relative to the Trade of Ireland Speech on Presenting to the House of Commons a Plan for the Better Security of the Independence of Parliament and the Economical Reformation of the Civil and Other Establishments Speech at Bristol Previous to the Election September 6 1780 Speech at Bristol on Declining the Poll September 9 1780 Speech of Mr Fox s East India Bill A Representation to His Majesty Moved in the House of Commons The Works of the Edmund Burke v.02 Edmund Burke, 2020-01-02 The following speech has been much the subject of conversation and the desire of having it printed was last summer very general The means of gratifying the public curiosity were obligingly furnished from the notes of some gentlemen members of the last Parliament This piece has been for some months ready for the press But a delicacy possibly over scrupulous has delayed the publication to this time The friends of administration have been used to attribute a great deal of the opposition to their measures in America to the writings published in England The editor of this speech kept it back until all the measures of government have had their full operation and can be no longer affected if ever they could have been affected by any publication Most readers will recollect the uncommon pains taken at the beginning of the last session of the last Parliament and indeed during the whole course of it to asperse the characters and decry the measures of those who were supposed to be friends to America in order to weaken the effect of their opposition to the acts of rigor then preparing against the colonies The speech contains a full refutation of the charges against that party with which Mr Burke has all along acted In doing this he has taken a review of the effects of all the schemes which have been successively adopted in the government of the plantations The subject is interesting the matters of information various and important and the publication at this time the editor hopes will not be thought unseasonable **The Portable Edmund Burke** Edmund Burke, 1999-07-01 The intellectual wellspring of modern political conservatism Edmund Burke is also considered a significant figure in aesthetic theory and cultural studies As a member of the House of Commons during the late eighteenth century Burke shook Parliament with his powerful defense of the American Revolution and the rights of persecuted Catholics in England and Ireland his indictment of the English rape of the Indian subcontinent and most famously his denouncement of English Jacobin sympathizers during the French Revolution The Portable Edmund Burke is the fullest
