Fresh from the Past Sandra Sherman, Henry Chotkowski, 2004 Sherman takes readers along on a wild ride back in time describing how historic families learned to cook with the seasons From a cookbook of the day she gives readers 120 original recipes together with contemporary translations of step by step instructions for cooks of any level

Invention of the Modern Cookbook Sandra Sherman, 2010-04-15 This eye opening history will change the way you read a cookbook or regard a TV chef making cooking ventures vastly more interesting and a lot more fun Every kitchen has at least one well worn cookbook but just how did they come to be Invention of the Modern Cookbook is the first study to examine that question discussing the roots of these collections in 17th century England and illuminating the cookbook s role as it has evolved over time Readers will discover that cookbooks were the product of careful invention by highly skilled chefs and profit minded publishers who designed them for maximum audience appeal responding to a changing readership and cultural conditions and utilizing innovative marketing and promotion techniques still practiced today They will see how cookbooks helped women adjust to the changes of the Enlightenment and Industrial Revolution by educating them on a range of subjects from etiquette to dealing with household servants And they will learn how the books themselves became modern taking on the characteristics we now take for granted

Cooking with Fire Paula Marcoux, 2014-01-01 Collects recipes for cooking foods over an open fire and teaches how to build a simple spit to roast meat and a basic wood fired oven for broiling vegetables

Stirring the Pot with Benjamin Franklin Rae Katherine Eighmey, 2018-01-16 In this remarkable work Rae Katherine Eighmey presents Franklin s delight and experimentation with food throughout his life At age sixteen he began dabbling in vegetarianism In his early twenties citing the health benefits of water over alcohol he convinced his printing press colleagues to abandon their traditional breakfast of beer and bread for water gruel a kind of tasty porridge he enjoyed Franklin is known for his scientific discoveries including electricity and the lightning rod and his curiosity and logical mind extended to the kitchen He even conducted an electrical experiment to try to cook a turkey and installed a state of the art oven for his beloved wife Deborah Later in life on his diplomatic missions he lived fifteen years in England and nine in France

Franklin ate like a local Eighthme discovers the meals served at his London home away from home and analyzes his account books from Passy France for insights to his farm to fork diet there Yet he also longed for American foods Deborah sent over favorites including cranberries which amazed his London kitchen staff He saw food as key to understanding the developing culture of the United States penning essays presenting maize as the defining grain of America Stirring the Pot with Benjamin Franklin conveys all of Franklin s culinary adventures demonstrating that Franklin s love of food shaped not only his life but also the character of the young nation he helped build **The Making of the English Gardener** Margaret
