researchers and anyone wanting to know more about the British monarchy *Raising the Tudors* Stephanie Kline, 2025-08-30 A vivid exploration of motherhood in sixteenth century England uncovering the roles expectations and lived experiences of Tudor women For the vast majority of women in sixteenth century England motherhood was more than a choice To become a mother was a duty to one's husband an expectation by society and a defining facet of her femininity and value to the world in which she lived In a time when nearly all women were expected and encouraged to have children and raise them according to strict religious and societal standards the role of motherhood was arguably one of the most important and discussed topics by females of the Tudor period Many of them spent half their lives conceiving bearing and raising children whether to join the humble ranks of workers to inherit grand lands and titles or even to sit upon the throne of England Sixteenth century mothers across social ranks were connected by the societal pressures judgments and expectations placed upon them but what did the job of mothering actually entail Raising the Tudors explores the life of the sixteenth century woman from the onset of fertility in adolescence through the end of her childbearing years From the prevailing medical theory of the four humours to the way Tudor physicians understood female reproductive anatomy and the process of conception from the societal and romantic ideals of marriage to the experience of pregnancy and the travails of childbirth It uncovers the role of the Tudor mother and the bonds she shared with her children through all stages of life through infancy and toddlerhood into adolescence and adulthood It questions how she engaged with her children how she cared for taught disciplined and played with them And finally it examines her role in her adult children's and their children's lives and how her responsibilities and identities shifted as she aged This book offers a comprehensive thought provoking and at times sentimentally relatable view of the Tudor woman as she has never quite been viewed before This is the story of motherhood in sixteenth century England The Politics of Serial Television Fiction Sebastian Naumann, 2025-02-08 Fictional TV politics played a pivotal role in the popular imaginaries of the 2010s across cultures Examining this curious phenomenon Sebastian Naumann provides a wide ranging analysis of the rapidly evolving landscape of contemporary political series Proposing a novel structural model of serial television he offers an innovative methodological framework for comparative textual analysis that integrates sociocultural economic sociotechnical narratological and aesthetic perspectives This study furthermore explores how the changing affordances of nonlinear television impact serial storytelling and identifies key narrative trends and recurring themes in contemporary TV political fiction **The Pastor in a Secular Age (Ministry in a Secular Age Book #2)** Andrew Root, 2019-06-18 In Faith Formation in a Secular Age the first book in his Ministry in a Secular Age trilogy Andrew Root offered an alternative take on the issue of youth drifting away from the church and articulated how faith can be formed in our secular age In The Pastor in a Secular Age Root explores how this secular age has impacted the identity and practice of the pastor obscuring his or her core vocation to call and assist others into the experience of ministry Using examples of pastors throughout history from Augustine and Jonathan Edwards to Martin Luther

King Jr and Nadia Bolz Weber Root shows how pastors have both perpetuated and responded to our secular age Root turns to Old Testament texts and to the theology of Robert Jenson to explain how pastors can regain the important role of attending to people's experiences of divine action offering a new vision for pastoral ministry today **Tracts Illustrative of the Traditionary & Historical Antiquities of Scotland** Robert Buchanan (of Edinburgh.), 1723 **SINCONA Auction 86** SINCONA Swiss International Coin Auction AG, Numismatic auction catalogue containing the fifth part of the SINCONA British Collection of British coins and medals probably the most complete collection of British gold coins in private hands Numismatischer Auktionskatalog mit dem fünften Teil der SINCONA British Collection der wohl vollständigsten Sammlung Britischer Goldmünzen und medaillen in privaten Händen SINCONA Swiss International Coin Auction is a Swiss auction house for numismatics in Zurich specializing in coins medals banknotes and decorations *Scotia Rediviva*, 1826 **A true account of the most triumphant royal accomplishment of the baptism of ...
