Elizabeth Spencer:

The Stories Elizabeth Spencer, 1990 Elizabeth Spencer: Novels & Stories (LOA #344) Elizabeth Spencer, 2021-06-01

On her centennial a contemporary of Flannery O'Connor and Harper Lee joins the Library of America with a volume that restores to print her searing novel about the late Jim Crow South Elizabeth Spencer 1921 2019 was a major figure of the Southern Renaissance though today her many books and stories are scattered or out of print This Library of America volume brings together the very best of her writing three novels and nineteen stories from a career spanning more than six decades

The Voice at the Back Door 1957 greeted by *The New Yorker* as a practically perfect novel and here restored to print portrays small town life in Mississippi during the late Jim Crow era and the self interest and hatred that kept injustice firmly in place Published two years after the Emmett Till lynching it captures the spitting vehemence of its white characters speech and may have been proven too potentially controversial for the Pulitzer board which awarded no prize in 1957 Also included in this volume are *The Light in the Piazza* 1960 Spencer's most famous work a deftly poignant comedy about Americans abroad that was adapted to the screen by Guy Green and a second superb Italian novella *Knights and Dragons* 1965 reminiscent of Henry James's novels in its atmosphere interiority and concern with transplanted Americans Spencer excelled in the short story form and this volume presents a career spanning selection by editor Michael Gorra that ranges from the early *First Dark* 1959 a kind of ghost story about a spectral oversized house in a Southern town to the valedictory *The Wedding Visitor* 2013 about the refusal to let the all enveloping world of place family and childhood define one's adult life

Spencer's special focus was families and few writers have so brilliantly plumbed the passions that unite them and the inner upheavals that can tear them apart Conversations with Elizabeth Spencer Elizabeth Spencer, 1991 Collected interviews with the author of *The Light in the Piazza* *For Lease or Sale* and *Fire in the Morning* *On The Gulf* Elizabeth Spencer, 2013-02-01

The magnetic appeal of land sea and sky along the southern coast has drawn Elizabeth Spencer many times to this lush and semitropical setting This collection brings together six of her stories set amid terrain lapped by the warm coastal currents These stories all happen on the shoreline of the Gulf of Mexico from New Orleans to Florida In each a girl or young woman gives voice to the narrative probing and groping for a secure place and identity The six stories included here are *On the Gulf* *The Legacy* *A Fugitive's Wife* *Mr McMillan* *Go South in the Winter* and *Ship Island* Each reveals the special allure of the Gulf Coast region through the author's depiction of character and engagement with the complexities of plot In these stories that illuminate the lives of sundry females from insecure waifs to novice seductresses Spencer investigates female psyche a topic which lies at the core of much of her fiction ***The Voice at the Back Door*** Elizabeth Spencer, 1956 Elizabeth Spencer Elizabeth Spencer, 2001 *The Edward Tales* Elizabeth Spencer, 2022-03-25

In conferring upon Mississippi native Elizabeth Spencer 1921 2019 the 2013 Rea Award for the Short Story the jury said that at the then age of ninety two she has thrived at the height of her powers to a degree that is unparalleled in modern letters Over

a celebrated six decade career Spencer published every type of literary fiction novels and short stories a memoir and a play Like her best known work *The Light in the Piazza* most of her narratives explore the inner lives of restless searching southern women Yet one mercurial male character Edward Glenn deserves attention for the way he insists on returning to her pages Speaking of Edward in unusually personal terms Spencer admitted a strong attraction to his type the elusive intelligent southern man maybe an unresolved part of my psyche In *The Edward Tales* Sally Greene brings together the four narratives in which Edward figures the play *For Lease or Sale* 1989 and three short stories *The Runaways* 1994 *Master of Shongalo* 1996 and *Return Trip* 2009 The collection allows readers to observe Spencer's evolving style while offering glimpses of the moral reasoning that lies at the heart of all her work Greene's critical introduction helpfully places these narratives within the context of Spencer's entire body of writing *The Edward Tales* confirms Spencer's place as one of our most beloved and accomplished writers

Elizabeth Spencer Peggy Whitman Prenshaw, 1985 **Fire in the Morning** Elizabeth Spencer, 2012-09-26 Admirers of Elizabeth Spencer's writing will welcome back into print her first novel and her new readers will discover the sources of her notable talent in this book Published in 1948 to extraordinary attention from such eminent writers as Robert Penn Warren Eudora Welty and Katherine Anne Porter this father and son story revolves around an old southern theme of family grievances and vendettas *Fire in the Morning* recounts the conflict between two families extending over two generations up to the 1930s The arrival of an innocent stranger flares old arguments and ignites new passions In Spencer's compelling tale of the half forgotten violence the well deep understanding of father and son Kinloch Armstrong the young hero confronts mysteries of the past His wife a newcomer to the area and its legacies makes friends with a family of traditional rivals After she is involved in a nighttime wreck and the death of a local man the past gradually comes to light and the two families once again become caught up in revelations hatreds and conflicts Spencer faithfully renders the setting a small dusty Mississippi town and the surrounding countryside as it was in the early twentieth century

The Southern Woman Elizabeth Spencer, 2001 This collection of short fiction spans six decades of writing and includes ten stories that are being published for the first time **Elizabeth Spencer's Complicated Cartographies** C. Seltzer, 2009-07-20 This book subjects the works of Elizabeth Spencer critically acclaimed but canonically marginalized to a study that reveals their interaction with the southern canon as they question its boundaries and remap the long established landscapes of southern identity

Amos Dudley was a farm boy in the Delta at the turn of the century until he started working for his brother Ephraim in the store by the railroad. It was an ordinary enough environment in which to begin to feel the strange forces that move a man to set his course in the world. But the forces working within Amos were by no means ordinary. Sometimes cruel sometimes suddenly tender they were strong and willful so that Amos became a man to reckon with. To Ary his beautiful plantation born wife to the woman in the bayou to the shiftless philosopher Arney. Even the rich black swamp soil which he wrested from the forest and gave to his cotton seemed to respond with awe and eagerness to Amos's will. His sensuous wayward daughter and the man she loved especially felt the full shattering drama of the violence which had evidently been building building in the fate of a man who regardless takes his own crooked way. *The Snare* Elizabeth Spencer, 1972 It is well known that New Orleans has its dark underside as well as its glowing visible delights. The journey one intelligent attractive but psychically driven girl makes through the city's hidden labyrinth is the element that impels this riveting novel. As she explores life on the other side she becomes engulfed in the vortex of evil.
