Comprehension Program targets reading comprehension skills in high ability learners by moving students through an inquiry process from basic understanding to critical analyses of texts using a field tested method developed by the Center for Gifted Education at William Mary. Students in grades K-1 will learn to comprehend and analyze any reading passage after completing the activities in Jacob's Ladder. Grades K-1 2nd ed. Geared for students in grades K-1, this book, a revision of the Primary Level 1 book, includes stories and ladder tasks carefully selected for young children to develop oral communication and listening skills in addition to the other ladder goals. This book provides stories focused on picture analysis, read alouds, classics, and original works. Optional Student Workbook Packs: In addition to this teacher's guide, companion student workbooks are available for Grades K-1.

What to Read When Pam Allyn, 2009-04-02. Read Pam Allyn's posts on the Penguin Blog. The books to read aloud to children at the important moments in their lives. In *What to Read When*, award-winning educator Pam Allyn celebrates the power of reading aloud with children. In many ways, books provide the first opportunity for children to begin to reflectively engage with and understand the world around them. Not only can parents entertain their child and convey the beauty of language through books, they can also share their values and create lasting connections. Here Allyn offers parents and caregivers essential advice on choosing appropriate titles for their children, taking into account a child's age, attention ability, gender, and interests, along with techniques for reading aloud effectively. But what sets this book apart is the extraordinary annotated list of more than three hundred titles suitable for the pivotal moments in a child's life. With category themes ranging from friendship and journeys to thankfulness, separations, silliness, and spirituality, *What to Read When* is a one-of-a-kind guide to how parents can best inspire children through reading together. In addition, Pam Allyn includes an indispensable Reader's Ladder section with recommendations for children at every stage from birth to age ten. With the author's warm and engaging voice throughout, discussion questions to encourage in-depth conversations, as well as advice on helping kids make the transition to independent reading, this book will help shape thoughtful, creative, and curious children, imparting a love of reading that will last a lifetime. These Penguin Young Reader's Books are referenced in *What to Read When*.
