[Happy Birthday to . . . Who?](#) Howard Camner, 2019-03-28 There was a time when I had goals and dreams for my life but now all I do is go to birthday parties When I'm at these birthday parties I've noticed that the kids have fun and the women yak it up but the men are as lost as lost could be They are absolutely miserable They remind me of the last scenes of the 1962 cult classic *Carnival of Souls* where all the lifeless spirits just meander around aimlessly their vital spark gone their once twinkling eyes glazed over During the week these guys are attorneys doctors high powered businessmen pillars of the community and big shots of all kinds but on the weekends at these kids birthday parties they are all lost tormented souls They are all mere pitiful shadows of their former selves It soon became obvious to me that these fathers need guidance I scoured bookstores for something that would help but there was nothing Therefore this book was born out of necessity It is at once a survival guide an instruction manual and a rant and a half The poet John Donne wrote that no man is an island This book is my attempt to reach out to my fellow fathers It is my hope that it will bring us all together and help to end our suffering No one else has stepped forward Therefore I feel it's my duty no my mission to lead all fathers out of the darkness and the nightmare that is children's birthday parties This book will help us all survive **Elmo and Abby's Birthday Fun!**, 2009 It's Dorothy's birthday on Sesame Street Elmo is excited to celebrate his friends birthday and he has planned a big birthday party Abby wants to help but she has never been to a Sesame Street birthday party before only Fairy Tale birthday parties Elmo teaches Abby all about games like pinning the tail on a donkey playing the piñata game and opening presents Then Abby magically takes Elmo on an adventure to Fairyland where they celebrate a fairytale birthday and play fairytale games Join Elmo and Abby as they learn about the many ways that birthdays are celebrated With a big flowered hat a gigantic cake and a bunch of birthday wishes Elmo learns the true meaning of a birthday wish **Elmo's Super-duper Birthday** Naomi Kleinberg, 2016 Elmo has a super duper celebration on his birthday **A Good Day for Uncle Elmo** Molly Barnes, 2008-10-23 This book describes life in a unique small elementary school where the kids are loved and respected every day For thirty years Molly Barnes has taught generations of children and each day was always an adventure These essays are about the daily importance of all those small issues that empower students and make each day in school special Their stories
