Elton Johns Glasses:

Elton John's Glasses David Farr, 1998 Cast size medium **The Elton John Scrapbook** Mary Anne Cassata, 2002 The book Elton's fiercely loyal followers have been craving a guide that explores every nook and cranny of the legendary rock musician's extraordinary career. Included are biographical background, anecdotes, critical commentary, lists, pop quizzes, trivia, quotes, and more. Illustrations.

Brands That Rock Roger Blackwell, Tina Stephan, 2004-05-03 The unique ability of rock and roll to inspire fanatical support from its customers is undeniable; the loyalty showered upon the Rolling Stones, Elton John, Aerosmith, and others who create it unmatched, and the lessons for corporate America endless. In the past, business leaders have looked to the successes of other firms to guide their own strategies for increasing market share and capturing more consumer attention, spending, and loyalty. However, in today's hyper-competitive marketplace, managers are looking for ways to shake, rattle, and roll corporate America's traditional marketing and branding mindset. In *Brands That Rock*, Roger Blackwell and Tina Stephan, co-authors of best-selling *Customers Rule* and *From Mind To Market*, take readers behind the music to uncover how businesses can create brands that become adopted by culture and capture a long-term position in the marketplace. *Brands That Rock* takes a unique behind-the-music look at how businesses can increase brand awareness, customer loyalty, and profits by implementing some of the same strategies that legendary bands have used to transform customers into fans and create deep emotional connections with them. Aerosmith and Madonna offer insight into how to evolve a brand to remain relevant in the marketplace without alienating current fans, while the Rolling Stones and KISS prove that successful execution at all levels of the brand experience are key to capturing long-term loyalty. Stephan and Blackwell also examine how businesses from Victoria's Secret and Wal-Mart to Cadillac and Kraft have implemented rock and roll strategies to become adopted by culture and secure fans in their own right. Filled with fun anecdotes and interviews from industry insiders, *Brands That Rock* will relate to managers who grew up with classic rock, showing them how to build iconic brands and delight fans decade after decade.

Roger D. Blackwell, Columbus, OH, is President of Roger Blackwell Associates, a consulting firm that works with Fortune 500 companies in the areas of consumer trends, strategy, e-commerce, and global business. A highly sought-after speaker, he is also Professor of Marketing at the Fisher College of Business at The Ohio State University. Tina Stephan, Columbus, OH, and New York, NY, is Vice President of Roger Blackwell Associates. Together, they have collaborated on eight books, including *Customers Rule* and *From Mind to Market*, and numerous articles and research projects.

Collective Rage: A Play in Five Betties Jen Silverman, 2018-01-24 In *Collective Rage*, the lives of five very different New York women named Betty collide at the intersection of anger, sex, and theater. As they meet, fall in love, rehearse, revel, and rage, they realize that they've been stuck reading the same scripts for far too long. They all come from different backgrounds and are bored or angry about different things, but the Bettys, each one numbered 1-5, come together to rehearse a new version of *Pyramus and Thisbe*, the play within a play in *A Midsummer Night's Dream*. What follows are discoveries

transformations and raucous comedy Hitting the ring with an electrifying soundtrack looks to kill and spectacular routines this outrageous comedy packs the punch to shatter lacquered femininity into a thousand glittering pieces Strongly influenced by cabaret and female drag this exquisite rejection of shame and stereotype will punch you in the gut break your heart and then take you dancing Collective Rage had its UK premiere at the Southwark Playhouse Not Talking Mike
