

# THE PROGNOSTICATIONS OF PARACELSUS

In 1536, the alchemist, philosopher and doctor, Paracelsus, created a book of prognostications and predictions of events for the following thirty years. This predated the now more familiar prophecies of Nostradamus by nearly twenty years.

Paracelsus' book was illustrated with thirty-one images which relate to and amplify the obscure texts of the prognostications.

These woodcuts were hand coloured by Adam McLean in 2011.
