Elusive Glory Africanamerican Heroes Of World War Ii

James H. Willbanks

Elusive Glory Africanamerican Heroes Of World War II:

African American War Heroes James B. Martin, 2014-05-12 Detailed profiles bring stories of African American heroism in the U S armed forces to life from the American Revolution through the conflict in Afghanistan African American war heroes remain largely unsung their courage and valor relegated to the less traveled corners of history This work seeks out those heroes soldiers sailors flyers and marines who earned their nation s highest medals in defense of freedom and equality Some of these men and women died on the battlefield Others returned to civilian life in a segregated country What they share across time and circumstance is devotion to duty and to the country they defended even in the face of personal and racial prejudice Entries profile decorated African Americans from all of the U S conflicts since the Revolutionary War In addition to providing basic biographical data each profile offers a detailed account of the individual s heroic actions The book also offers sidebars on events and topics relevant to African Americans in the U S armed forces such as histories of the 54th Massachusetts and the Tuskegee Army **Elusive Glory** John Robert Bruning, 2001 The story long untold of some of

America s bravest fighting men during World War II whose courage went unrecognized and passed over for decades simply because of their color **America's Heroes** James H. Willbanks, 2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan America s Heroes Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award s significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award s recipients Ethnic and Racial Minorities in the U.S. Military Alexander M.

Bielakowski, 2013-01-11 This encyclopedia details the participation of individual ethnic and racial minority groups throughout U S military history Ethnic and Racial Minorities in the U S Military An Encyclopedia is unique in its coverage of nearly all major ethnic and racial minority groups as opposed to reference works that have focused only on individual ethnic or racial minority groups It acknowledges the military contributions of African Americans Asian Americans French Americans German Americans Hispanic Americans Irish Americans Jewish Americans and Native Americans This timely work highlights the individuals and events that have shaped the experience of minorities in U S conflicts The work provides a comprehensive encyclopedia covering the role of all major ethnic and racial minorities in the United States during wartime Additionally it

considers how the integration of servicemen in the U S military set the precedent for the eventual desegregation of America s civilian population

My Father's War Carolyn Johnston,2012-08-03 The author draws on her father s account of the war and her extensive interviews with other veterans of the 92nd Division to describe the experiences of a naive southern white officer and his segregated unit on an intimate level During the war the protocol that required the assignment of southern white officers to command black units both in Europe and in the Pacific theater was often problematic but Johnston seemed more successful than most earning the trust and respect of his men at the same time that he learned to trust and respect them Gene Johnston and the African American soldiers were transformed by the war and upon their return helped transform the nation The 92nd Division of the Fifth Army was the only African American infantry division to see combat in Europe during 1944 and 1945 suffering more than 3 200 casualties Members of this unit known as Buffalo Soldiers endured racial violence on the home front and experienced racism abroad Engaged in combat for nine months they were under the command of southern white infantry officers like their captain Eugene E Johnston

John F. Kennedy's 1957 Algeria Speech Gregory D.

Cleva, 2022-03-02 John F Kennedy remains a compelling figure almost sixty years after his tragic assassination Kennedy's voice with all of its characteristic eloquence as well as the engaging complexity of the man himself are brought to life in John F Kennedy's 1957 Algeria Speech This book deals with one of Kennedy's most important as a U S Senator but least recognized foreign policy speeches calling for Algerian independence after more than a century of French colonial rule The reader will experience the debate surrounding Kennedy's speech of July 2 1957 particularly the resistance it encountered from the Eisenhower administration French officials and French citizens senior members of America's foreign policy community such as Dean Acheson and Adlai Stevenson and editorial criticism in some of the most distinguished journals in the United States and France The author offers new insights into Kennedy's reasons for giving this speech as well as his extensive preparation spanning fifteen months Cleva uses in depth scholarship to analyze several years of classified U S Government documents dealing with the Algerian crisis in order to provide this comprehensive study of Kennedy's Senate speech how it shaped Kennedy's own administration as well its significance to American foreign policy *The Athenaeum*, 1908 Bowker's Complete Video Directory, 2000 **Athenaeum and Literary Chronicle**, 1908
