Requiem for Lovers S.R. Palumbo,2013-10-07 SUMMERWINDS If only I could love again Breathe in again The sweet smelling blind unconsciousness of youth and spring If only I could sing again Live half complete In every moments expectation Knowing All of life itself was still ahead How less than dead The rest of all the rest would seem If only I could dream again THE PARABLE How easy it is to share nothing with nothing Hoping something will finally come of it While the anything of who were are Wanders here and there and everywhere Beyond all despairing parables Yet blinded still and mystified By sacrifice And the unconditional unrelenting Demands of love MOONGLOW We live in the immediacy of stifled dreams Discarded loves that circle the moon In the dead of winters benality The long ride home a safeway house Not far from Spring And a heartbeat away from reality SOULMATES True love needs only silence No words to speak No need to whisper cheek to cheek For everything that others might not understand Is understood emphatically With just one look One glance within a crowded room Or far from home Each talks to each incessantly And not alone *Good Housekeeping* ,1928

Maya Angelou Mary Jane Lupton,2016-01-18 This book presents the extraordinary life and writings of Maya Angelou It examines the changing viewpoints in her six autobiographies within the context of women s and African American autobiographies with specific reference to the slave narrative and to contemporary fiction and film Maya Angelou *The Iconic Self* examines this iconic artist s work as an autobiographer offering an up to date assessment of Angelou s contributions to American literature and to American and international culture This is the only book to interpret Angelou s autobiographies as unique experiments in the history of black narrative It attests to Angelou s creativity in transforming the typical single volume autobiography into a six volume personal and cultural adventure that tells the truth but reads like fiction The narratives cover the years from the Great Depression 1941 to the days following the assassinations of Malcolm X 1965 and Martin Luther King 1968 emphasizing Angelou s roles as mother daughter granddaughter wife and friend This revised edition also presents information about Maya Angelou s funeral and her continuing legacy since her death in 2014 The depth and scope of the book s observations regarding Angelou s autobiographies will be of great interest to readers seeking an analysis of the interconnections among Angelou s writings as well as serve students taking courses in women s studies or black culture studies

Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record ,1890 **Handbook of Interpersonal Commitment and Relationship Stability** Jeffrey M. Adams, Warren H. Jones, 1999-09-30 A fundamental assumption underlying the formation of our most important relationships is that they will persist indefinitely into the future As an acquaintanceship turns into a friendship for example both members of this newly formed interpersonal bond are likely to expect that their interactions will become increasingly frequent diverse and intimate over time This expectation is perhaps most apparent in romantically involved couples who through a variety of verbal and symbolic means make explicit pledges to a long lasting relationship In either case it is clear that these relationships represent something valuable to the individuals involved and are pursued with great enthusiasm Virtually all close relationships are formed within the context of mutually rewarding interactions and or strong physical attraction between partners Friends and romantically involved couples alike are drawn to one another because of similarity of attitudes interests and personality and quite simply because they enjoy one another's company This enjoyment coupled with the novelty that characterizes new relationships almost makes the continuation of the relationship a foregone conclusion As relationships progress however their novelty fades conflicts may arise between partners negative life events may occur and the satisfaction that previously characterized the relationships may diminish
