

Love Me Tender-Elvis Presley

Love me tender, love me sweet, never let me go.

You have made my life complete and I love you so.

Love me tender, love me true, all my dreams fulfill.

For, my darlin', I love you and I always will.

Love me tender, love me long, take me to your heart.

For it's there that I belong and we'll never part.

Love me tender, love me true, all my dreams fulfill.

For, my darlin', I love you and I always will.

Love me tender, love me dear, tell me you are mine.

I'll be yours through all the years till the end of time.

Love me tender, love me true, all my dreams fulfill.

For, my darlin', I love you and I always will.

Love Me Tender Max Cryer, 2008 Some of the world's best loved songs have had remarkable origins Had Robert Burns not heard an old man sing a quavering version of an ancient Scottish country song we would never have had Auld Lang Syne Miss Jane Ross wrote down the tune she heard played by a piper at an Irish village fair in 1855 Had she not done so the rest of the world would not have heard Danny Boy Marie Antoinette heard a peasant nurse sing an obscure lullaby to her princely son The empress's unexpected promotion of the song resulted in its now being listed by The Guinness Book of Records as one of the three most familiar songs in the world Love Me Tender tells the remarkable stories behind 40 popular and traditional songs Some evolved from folksongs some are from musical theatre while others hit the mark because a particular recording appeared at just the right time In some cases one word made all the difference Paul McCartney composed a tune but could only think of the words scrambled eggs to fit it but fortunately he later came up with the perfect solution Yesterday In a book full of surprises and curiosities Max Cryer reveals stories from all around the world and from artists as diverse as Marlene Dietrich Bing Crosby Judy Garland and Elton John This truly fascinating book makes enthralling reading

The Elvis Movies James L. Neibaur, 2014-04-04 Elvis Presley's stature as the King of Rock and Roll will never be challenged Between his first RCA hit single in 1956 the number one smash Heartbreak Hotel and his death in 1977 Elvis amassed more than 100 hits on the music charts Presley's dominance on the music chart was paralleled only by the singer's motion picture career Between 1956 and 1969 Elvis appeared in more than thirty films further cementing his place as one of the most popular entertainers of the twentieth century While there have been countless books that explore the real Elvis tucked beneath layers of showbiz mythology such volumes often dismiss his motion picture career as insignificant or overlook his onscreen work entirely In *The Elvis Movies* James L. Neibaur looks at the thirty one features that Presley made from Love Me Tender in 1956 to Change of Habit in 1969 Most of these were star vehicles tailor

made for his image As Neibaur points out Elvis had a real interest in being a good actor but his initial promise was soon thwarted by anti creative decisions that sold a packaged version of the singer Despite lapsing into a predictable formula of lightweight musicals Elvis Presley s star power ensured that the films became box office successes Neibaur examines each film providing information about their production and offering assessments about their value in general as well as their place in the Presley canon Additional details include behind the scenes personnel costars DVD availability and featured hit songs An entertaining and informative look at an often underrated aspect of the singer s career The Elvis Movies offers readers insight into his films This volume will be a welcome resource to fans of the singer who want to know more about the King and his successful ventures on the big screen Behind a Tiny Story Myrna Barinaga,2015-12-04

What started as a tiny story triggered memories of a lifetime This is a story of a family s struggle and survival of the brutal Japanese American War I was one of eight children in that family walking for days through the jungle for safety and living on prayers Thankfully the war ended with all of us in the family alive and together Marriage and childbearing brought four children two with very special needs Searching for help led us to come to America I did not intend to make my obstacles and struggles in life the focus of my story However I would like to direct the reader to the power of faith and prayer and the strength and perseverance derived from allowing God to guide and lead me in my life s journey With all that life has offered me my heart awaking cries May Jesus Christ be praised When Morning Gilds the Skies When morning gilds the skies my heart awaking cries May Jesus Christ be praised Alike at work and prayer to Jesus I repair May Jesus Christ be praised German hymn c 1800 translated by Edward Caswall 1814 1878 **Amore** Mark Rotella,2024-09-04 Amore is Mark Rotella s celebration of the Italian decade the years after the war and before the Beatles when Frank Sinatra Perry Como Dean Martin and Tony Bennett among others won the hearts of the American public with a smooth stylish classy brand of pop In Rotella s vivid telling the stories behind forty Italian American classics from O Sole Mio Night and Day and Mack the Knife to Volare and I Wonder Why show how a glorious musical tradition became the sound track of postwar America and the expression of a sense of style that we still cherish Rotella follows the music from the opera houses and piazzas of southern Italy to the barrooms of the Bronx and Hoboken to the Copacabana the Paramount Theatre and the Vegas Strip He shows us the hardworking musicians whose voices were to become ubiquitous on jukeboxes and the radio and whose names some anglicized some not have become bywords for Italian American success even as they were dogged by stereotypes and prejudice Amore is the personal Top 40 of one proud son of Italy it is also a love song to Italian American culture and an evocation of an age that belongs to us all
