Tehachapi Renewable Transmission Project (TRTP) ,2010 *Great City Parks* Alan Tate,2015-03-05 Great City Parks is a celebration of some of the finest achievements of landscape architecture in the public realm It is a comparative study of thirty significant public parks in major cities across Western Europe and North America Collectively they give a clear picture of why parks have been created how they have been designed how they are managed and what plans are being made for them at the beginning of the twenty first century Based on unique research including extensive site visits and interviews with the managing organisations this book is illustrated throughout with clear plans and photographs with this new edition featuring full colour throughout Tate updates his seminal 2001 work with 10 additional parks including The High Line in NYC Golden Gate Park in San Francisco and Westergasfabriek Amsterdam All the previous city parks have also been updated and revised to reflect current usage and management This book reflects a belief that well planned well designed and well managed parks and park systems will continue to make major contributions to the quality of life in an increasingly urbanized world **The Ring of Truth** Wendy Doniger,2017-04-03 Why are sex and jewelry particularly rings so often connected Why do rings continually appear in stories about marriage and adultery love and betrayal loss and recovery identity and masquerade What is the mythology that makes finger rings symbols of true or as the case may be untrue love The cross cultural distribution of the mythology of sexual rings is impressive from ancient India and Greece through the Arab world to Shakespeare Marie Antoinette Wagner nineteenth

century novels Hollywood and the De Beers advertising campaign that gave us the expression A Diamond is Forever Each chapter of The Ring of Truth like a charm on a charm bracelet considers a different constellation of stories stories about rings lost and found in fish forgetful husbands and clever wives treacherous royal necklaces fake jewelry and real women modern women s revolt against the hegemony of jewelry and the clash between common sense and conventional narratives about rings Herein lie signet rings betrothal rings and magic rings of invisibility or memory The stories are linked by a common set of meanings such as love symbolized by the circular and unbroken shape of the ring infinite constant eternal a meaning that the stories often prove tragically false While most of the rings in the stories originally belonged to men or were given to women by men Wendy Doniger shows that it is the women who are important in these stories as they are the ones who put the jewelry to work in the plots
