Ephesians The Maturing Of The Saints:

Ephesians Bob Yandian, 2016-08-02 Although the city of Ephesus is famous for its reckless living and idol worship the Ephesian church is deeply spiritual And so Ephesians unlike other epistles written to correct doctrinal error reveals to mature believers the positional truth of who they are in Christ It also expounds on practical applications of this positional revelation **Ephesians** Bob Yandian, 1985 **The Key of David** Gary Robinson, 2025-03-17 It took me thirty years of studying before I did it but I did write this book from the voice of God my Lord and Savior When God speaks I run to greet Him I wrote about 150 Bible studies in the last thirty years all with one finger and was about going to work for our in just teaching So I always ask God what He wants me to do next No answer It took two weeks I was sitting in my Bible room and I prayed for God to tell me what next And this soft voice said I want you to write a book on the key of David So I followed what our Father asked This book has the strait and narrow way If this book doesn't get you on your knees and pray to our Lord Jesus Christ for forgiveness of your poor sick flesh you cannot stop sinning without the Lord Jesus Christ Read the book and learn the key of David You can't go wrong Do you know why Read Revelation 3:7 and be blessed *MATURITY: A Journey Through God's Timing* Cassandra A. Marbury, 2010-02-22 Witty funny interestingly candid passionately written inspirational and provides a simpler understanding of God's process and His timing This book sets before you an example of how one believer go to and through God's maturity by showing a step by step process Be encouraged and know that maturing in our Lord Jesus Christ is continual It will enlighten believers on spiritual maturity It is one believer's personal account of her spiritual journey from salvation's infancy to recognizing if she was saved or not and finally becoming a maturing Christian in God It is designed to help you understand the journey of growing in God and answers the question How do we get there We must continue through the process that leads to being in the right place in God where He is able to move you according to His timing **Honor to the Great Head of the Church** Margarette W. Williams Ed.D. Ph.D., 2021-08-11 Honor to the Great Head of the Church A Transformational Model for Church Leadership Administration and Management This Volume One of the Transformational Church Administration Series is support for the organized church to stay on Christ's message of redemption He has set for the church Its purpose is to share passion for a committed focus on God's ordained purpose and mission for His church Church leaders are encouraged throughout the volume to adhere to theological principles for continued devotion to God's one true mission That message is that Christ is God's mission Christ is God's only mission for the church the people of God The church exists only as it participates in the act of Christ Chapter by chapter the book communicates the necessity to intentionally combine God's divine mission as presented from biblical theology with practical applications of organizational leadership and management The critical shift with this book apart from other resources highlighting the works of church administration is the acknowledgements that for the church to remain under the Lordship of Christ the church must be in a continued pursuit to seek Jesus the Christ in all engagements of worship administration

management and service The Lord's purpose of redemption from sin and death has to remain front and central in every ministry in all programmatic formats and every service project represented by the church God's call to redeem lost man unto salvation and discipleship is highlighted as functions to be grounded through participation in service models and organization Learners come to view leadership and administration from a scriptural context As a result leadership theories and principles of management accurately operate with results that brings edification to the glory of God in all matters of church leadership for administration

Restoring the Fallen Tent Riaan Engelbrecht,2023-01-26 It has been a while since the Lord spoke about restoring the tent of meeting To understand this we need to understand that before church there was the Temple and before the Temple there was the tent of meeting in the days of Moses The tabernacle of meeting evolved in the physical Temple built by Solomon which evolved among the Gentiles to be mostly church buildings With the stages of development especially among Gentiles the very essence of the tabernacle of meeting as in the days of Moses got lost among the sand of time The tabernacle in the wilderness was about God meeting with man and where man could enjoy the presence of the Lord By the shed Blood of the Lamb God's presence is now not contained within a physical structure for God now makes His home within

man by the indwelling presence of the Holy Spirit Therefore as believers we have BECOME the tabernacle of meeting Through our interpretation of church the tabernacle today sadly remains a physical structure instead a spiritual one The church of today has evolved away from the foundational concept of divine interaction relationship and Covenant participation which forms the spiritual tabernacle house in service to God It is time to rediscover God s true intent and purpose for the Tabernacle and how we are to restore what has fallen and become lost over the centuries **From Here to Maturity**

Thomas E. Bergler,2014-11-27 Expert guidance on how to grow up in Christ This book is a follow up to Thomas Bergler s acclaimed work The Juvenilization of American Christianity which documents how church youth ministries over the past several decades have contributed to a process of adolescent spiritual traits becoming accepted and even celebrated by Christians of all ages This juvenilization in the church is a real problem that must be addressed says Bergler and in his new book he addresses it head on Bergler s From Here to Maturity is an accessible guide for helping both individuals and whole faith communities to grow spiritually Bergler claims that spiritual maturity defined as basic competence in the Christian life is both desirable and attainable and he effectively presents a biblical theology of spiritual maturity identifying its traits from pertinent New Testament passages Adapting Dallas Willard s model of spiritual formation and applying it to congregational life Bergler offers a wealth of practical research based guidance as to how Christian leaders can effectively foster spiritual maturity in their congregations He also identifies six key faith sustaining factors and provides a system for evaluating a church s state of spiritual maturity and steps for improving it Ecumenically friendly From Here to Maturity will be useful to individuals and leaders from many different churches and theological traditions The Spirit-Filled Church Terry

Virgo,2011-06-08 A lucid account of the function of the Spirit in the growth of the church Through the history of God s people the constant element has been the presence of the Almighty The baptism in the Holy Spirit which so galvanized the young church equipped and empowered the believers boosting courage fostering fluency and granting insights to ordinary men and women Terry Virgo was baptized in the Holy Spirit as a young believer and delighted in the experience As we began to welcome the presence of the Holy Spirit our church life was transformed he explains The presence of the Holy Spirit changed everything As the Spirit moves so there are healings often dramatic But there is more a discovery of God s grace As people discover grace for themselves a far more profound healing takes place leading first to worship then a recognition that we are a prophetic people **The Making of a Mature Disciple** Kenneth S. Todd,2017-08-16 Some of the key issues that make up

the content of this book are 1 why God expects obedience from his children 2 how acknowledging our sinful nature helps to maintain a right relationship with God 3 being aware of and taming the power of our tongue and 4 how we act out the love of God that shows we are indeed a true believer These issues and several others in this book will help a Christian become the mature Christians that God expects his children to be *R.A.M. THE THICKET* JACQUELINE S. SCOTT,2025-05-23 R A M

The Thicket by Jacqueline S Horton Scott presents a powerful and prophetic exploration of overcoming passivity and

embracing spiritual warfare Drawing on Biblical teachings the book uses the acronym R A M to signify the process of Repentance Amendment and Moving On It calls readers to press forward in faith standing firm in God s promises and fighting spiritually with purpose The work delves into topics like discernment understanding the Kingdom of God and the importance of prayer in the believer s life The text invites readers to be steadfast unmovable and fearlessly fight for their spiritual growth and the Kingdom of God

Principles of the Kingdom of God Kenneth B. Alexander, 2013-05-22 Table of Contents Principles of the Kingdom of God Title Page Table of Contents Preface Introduction To Principles of the Kingdom of God God Is Real Who and What Is God Introduction Names of God In the Old Testament Names of God In the New Testament The Father The Son The Holy Spirit Oneness of the Trinity Man Body Soul and Spirit The Soul The Body The Spirit The Principle of Faith More Things About Faith The Principle of Hope The Principle of Love The Principle of Spirituality Transference and Appropriation How God Transfers His Nature to You The Way He Removes Sin The Principle of the Father s Family The Principle of Prophecy and Prophets The Principle of Salvation Becoming a Son of God The Body of Christ The Principle of Resurrection Life Hell Hades Gehenna Sheol Satan His Nature Purpose and Spiritual Warfare The Lord s Supper and the Last Supper The Principle of Worship The Second Coming of Jesus Christ The Principle of Authority Over Futility Creators of a New Age Principles of the Kingdom of God is the title of this Book This Book explores spiritual principles as opposed to the principles of this present age In everyday life we are well familiar with the principles that operate here on the earth We know that when a door is shut we must open it in order to pass through We know that touching a hot stove will cause pain and a burn Science is aware of the rules and boundaries of the laws of physics and chemists know the results of mixing elements together to cause a certain result Although there are many of the scientific laws of nature currently unknown to mankind he continues to strive to find answers and to reconcile the scientific world of which we are aware using out five senses What science does not understand or is unwilling to admit there is a realm beyond the certainties of this physical realm that is incapable of scientific proof That realm is called The Spiritual Realm Most deny its existence or if they mentally assent to the possibility that such a realm exists they know little about it and certainly don t apply it to their everyday lives or scientific pursuits Some look on such things as foolishness as the Apostle Paul said But a natural unspiritual man does not accept the things of the Spirit of God for they are foolishness to him and he cannot understand them because they are spiritually appraised 1 Corinthians 2 14 However as this book will attempt to point out the spirit realm is very much a real place actually more real than our physical world The spirit world has its own set of rules and principles that govern it However its ways are past finding out by the natural mind of man and thus invisible to those without spiritual sight The Apostle Paul said in the Bible because the human mind is hostile toward God for it does not subject itself to the law of God for it is not even able to do so Romans 8 7 Thus our intellect is useless in knowing anything beyond what we can see or touch Just taking the most basic of the spiritual laws the 10 commandments for instance who can argue that we all would be a little

better off if everyone was able to follow these basic rules There would be no crime therefore no expensive jails to confine criminals The family unit which has been broken down in this generation would stay intact as children would respect their parents there would be no adultery to break up the family and coveting would all together cease There would be no serious disparity between the rich and the poor and the poor would be taken care of without great expenditure of funds to do so There would be no greed war competition etc just to name a few Jesus said that if we were to pray at all we should pray to God *Teaching and Understanding Pneumatology & Spiritual Gifts* Elijah E. Dunbar,2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the ions of time Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities Oriental Christians viewed pneumatology as being a significant particle of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity Although both groups have a history of singling out this distinction over the years theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity It is concertedly understood that neither of the two can be studied or taught without the other Their inseparable existence makes Christianity a complete whole The authors exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community Whether a secular or non secular intellectual you will find the information in this book to be rewarding resourceful and informative You will come across comments from some of humanities and Christendoms finest and brightest academics in an eclectic form Join the author now on his literary expedition Welcome **Way of the Lord** Riaan Engelbrecht,2024-05-10 If we seek to find true life we need to walk in the ways of God s Kingdom We need to seek the Kingdom above all else We can only walk in the manifested reality and glory of the Kingdom once we walk by Spirit implying surrendering first our kingdom laying down our crown and denying the Self If we seek His Kingdom then our kingdom our ways agendas ideas needs to be surrendered What we believe to be truth to be the right way or the correct path needs to be surrendered as we seek the true way of the Lord which is the Way of the Kingdom Jesus said He is the Way Truth and Life meaning He is the WAY of the Kingdom and if we seek the Kingdom then we need to follow the Lord Jesus in spirit and truth For then we shall walk in God s order and His will We are called by Jesus to walk the narrow road to deny the Self to take up the Cross and to love the Lord above all There is no other way except in Jesus for sustained life in spirit soul and body Not the way of money Not the way of status or power We need to know and discern the ways of the Lord and to follow His path which leads to quiet rivers and green pastures In God there is hope joy and love As we follow Him we follow the way to spiritual peace belonging and restoration **A Critical and Exegetical Commentary on the Epistles to the Ephesians and to the Colossians**
