Ephesians A Shorter Commentary:

Ephesians Ernest Best,1994-01-01 This brief study is intended primarily for theological students and perhaps also for ministers who wish to update their scholarship It seeks to show the issues facing those who seek to study Ephesians or interpret it The first part examines in detail the normal questions of authorship and destination The second offers a brief survey of the content of the letter drawing out its main points The third part concentrates attention on its theology treating in detail its teaching about the church and behaviour In this it is claimed that these two areas of life together in the Christian community and conduct within it reflect on one another and influence each other in that sense the letter is a unity of thought While an attempt is made to solve the problems which present themselves for example whether the author was not Paul but a disciple there is no suggestion that the writer s own solutions are the only possible ones

The Spirit and the Lake of Fire Rustin Umstattd, 2017-06-28 The Holy Spirit and the Lake of Fire What does the Spirit have to do with God's final judgment The Holy Spirit and God's judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit they need to be It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity In The Spirit and the Lake of Fire Rustin Umstattd establishes the Spirit's role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God's breath and God's arm Furthermore by examining Augustine's position that the Spirit is the mutual love of the Father and the Son and Luther's position that God's wrath is the underside of his love Umstattd demonstrates how one comes to the conclusion that the Spirit is operative in God's judgment upon sin
