

EPICUREAN POLITICAL PHILOSOPHY

The De rerum natura
of Lucretius

James H. Nichols, Jr.

Epicurean Political Philosophy

James H. Nichols

Epicurean Political Philosophy:

Theory and Practice in Epicurean Political Philosophy Javier Aoiz, Marcelo D. Boeri, 2023 The opponents of Epicureanism in antiquity including Cicero Plutarch and Lactantius succeeded in establishing a famous cliché the theoretical and practical disinterest of Epicurus and the Epicureans in political communities However this anti Epicurean literature did not provide considerations of Epicurean political theory or the testimonies about Epicurean lifestyle The purpose of this book is to shed light on the contribution of Epicurean thought to political life in the ancient world Incorporating the most up to date material including papyri which have been recovered from Herculaneum documents of Greek epigraphy and the prosopography of the Roman Epicureans this volume will bring to the foreground new testimonies surrounding the public activities of the Epicureans In this way the reader will learn that Epicurean political theory is in fact a crucial ingredient of its philosophy As a result this connection creates an ongoing dialogue with the Greek philosophical tradition revealing the presence of Plato in the Epicurean philosophy

Epicurean Political Philosophy James H. Nichols, 1976 *Theory and Practice in Epicurean Political Philosophy* Javier Aoiz, Marcelo D. Boeri, 2023-02-09 The opponents of Epicureanism in antiquity including Cicero Plutarch and Lactantius succeeded in establishing a famous cliché the theoretical and practical disinterest of Epicurus and the Epicureans in political communities However this anti Epicurean literature did not provide considerations of Epicurean political theory or the testimonies about Epicurean lifestyle The purpose of this book is to shed light on the contribution of Epicurean thought to political life in the ancient world Incorporating the most up to date material including papyri which have been recovered from Herculaneum documents of Greek epigraphy and the prosopography of the Roman Epicureans this volume will bring to the foreground new testimonies surrounding the public activities of the Epicureans In this way the reader will learn that Epicurean political theory is in fact a crucial ingredient of its philosophy As a result this connection creates an ongoing dialogue with the Greek philosophical tradition revealing the presence of Plato in the Epicurean philosophy

***Epicurean Political Philosophy* James H. Nichols, 1976** ***Epicureanism at the Origins of Modernity* Catherine Wilson, 2008-06-19** This book examines the role played by the rediscovery of the writings of the ancient atomists the Greek philosopher Epicurus and his Latin successor Titus Lucretius in the articulation of the major philosophical systems of the 17th century and the evolution of natural science and moral and political philosophy The book shows how the distinctive Epicurean image of the natural world as a product of time and chance unsupervised by any god or gods and of the social world as a sphere of human invention and moral equality took hold in philosophy and how Epicureanism is an acknowledged and often unacknowledged presence in the writings of Descartes Gassendi Hobbes Boyle Locke Leibniz and Berkeley With chapters devoted to Epicurean physics and cosmology the corpuscularian or mechanical philosophy the question of the mortality of the soul the grounds of political authority the contested nature of the experimental philosophy sensuality curiosity and the role of pleasure and utility in ethics the book makes a case for the significance of materialism in

17th century philosophy and for its continued importance in the contemporary world without underestimating the depth and significance of the opposition to it in the Platonic and Stoic traditions Lucretius's great poem *On the Nature of Things* supplies the frame of reference for this extended inquiry into the origins of modern philosophy

Epicurean Political Philosophy James Nichols, 1971 *Lucretius as Theorist of Political Life* J. Colman, 2012-12-05 John Colman has presented us with a profound and scrupulously detailed inquiry into how Lucretius understood the tensions between the philosophic life and the requirements and characteristics of the life of political action tensions with which Lucretius had to deal in his endeavor to bring philosophy into Rome James H Nichols Jr Professor of Government Claremont McKenna College USA Lucretius has been drawing renewed attention for both the depth of his message and the beauty of his poem Nevertheless only a few commentators are attentive to the paradox of a philosophic teaching that reduces everything to matter in motion in the form of a beautiful poem John Colman represents the even more rare case of someone who sees this paradox and explains it intelligently He is able to show the way Lucretius addresses those interested in beauty and those interested in politics in a work that appears to reject both Christopher Kelly Professor of Political Science Boston College USA A careful study of Lucretius by a notable young scholar showing not just assuming that he had a politics The result is to reveal how his politics compares with that in the Socratic tradition and how he was distorted by his modern students and interpreters Harvey C Mansfield Professor of Government at Harvard Senior Fellow at the Hoover Institution Stanford USA Lucretius as Theorist of Political Life is an interpretation of Lucretius poem *On the Nature of Things* as a defense of philosophy given the irremediable tension between the competing claims of the philosophic and political life The central issue is the need for and attempt by philosophy to justify and defend its way of life to the political community This work uncovers how Lucretius conception of the philosophic life and the reaction to the human religious and political implications of the discovery of nature distinguish his intention from the anti theological animus that drives the politically and scientifically ambitious project of his modern appropriators

Machiavelli and Epicureanism Robert J. Roeklein, 2012-10-05 This book investigates the influence of Epicurean physics on the argument developed in Machiavelli's *Discourses on Livy* Towards this end the full philosophical history and origins of atomist philosophy are investigated during the first three chapters Plato's critique of the atomist philosophy from his dialogue the *Parmenides* is a part of that investigation In fact Plato provides a refutation of the atomist philosophy in the *Parmenides* A significant amount of scholarship has been accomplished that demonstrates the currents of Lucretian atomism in Machiavelli's Florence Evidence is supplied as to Machiavelli's exposure to the Lucretian text and the book then proceeds to investigate the transformational arguments of the *Discourses on Livy* itself Machiavelli's *Discourses* are saturated with terminology that is borrowed from physics *materia* Matter *corpo* body *forma* form *accidente* accident English translators have usually employed some theory as to which tradition of physics Machiavelli is relying upon in order to conduct their translations By borrowing the terminology of Lucretian physics Machiavelli becomes able to conceive of the

people in a political society as something less than human as matter or materia without form In my analysis of Machiavelli's deployment of the concepts from Lucretian physics it is attempted to unveil the brutality that is inherent in Machiavelli's new definitions of the elements of politics and the general hostility of his political science to the Aristotelian concept of the human being as political animal The classical physics of Aristotle which Machiavelli has rejected for a model indicates the forward looking momentum of natural beings For Aristotle nature intends human political society as the arena for human fulfillment In Aristotelian physics nature aims at an end in generation i.e. at a culmination of the natural being in its proper condition of excellence For human beings this is justice the quality of relationships that makes happiness possible In Machiavelli a new politicized physics is revealed In Machiavelli's model the human beings of formed matter are repeatedly sent through new institutions and methods of government back to their beginnings i.e. to a condition of isolation destitution injury and pain The last chapter of the book concludes with an examination of the particular institutions and methods that Machiavelli holds out to us for employment if his new vision of a republic is to be realized The Political Thought of David Hume Aaron

Alexander Zubia, 2024-02-15 Aaron Alexander Zubia argues that the Epicurean roots of David Hume's philosophy gave rise to liberalism's unrelenting grip on the modern political imagination Eighteenth century Scottish philosopher David Hume has had an outsized impact on the political thinkers who came after him from the nineteenth century British Utilitarians to modern American social contract theorists In this thorough and thoughtful new work Aaron Alexander Zubia examines the forces that shaped Hume's thinking within the broad context of intellectual history with particular focus on the ancient Greek philosopher Epicurus and the skeptical tradition Zubia argues that through Hume's influence Epicureanism which elevates utility over moral truth became the foundation of liberal political philosophy which continues to dominate and limit political discourse today **Epicurean Political Philosophy** James H. Nichols (Jr.), 1971 **Rousseau and Freedom** Christie

McDonald, Stanley Hoffmann, 2010-04-22 Debates about freedom an ideal continually contested were first set out in their modern version by the eighteenth century French philosopher Jean Jacques Rousseau His ideas and analyses were taken up during the philosophical enlightenment often invoked during the French Revolution and still resonate in contemporary discussions of freedom This volume first published in 2010 examines Rousseau's many approaches to the concept of freedom in the context of his thought on literature religion music theater women the body and the arts Its expert contributors cross disciplinary frontiers to develop thought provoking new angles on Rousseau's thought By taking freedom as the guiding principle of their analysis the essays form a cohesive account of Rousseau's writings **Political Philosophy and the**

Republican Future Gregory Bruce Smith, 2018-07-25 Are we moving inevitably into an irreversible era of postnationalism and globalism In Political Philosophy and the Republican Future Gregory Bruce Smith asks if participation in self government is not central to citizens vision of the political good is despotism inevitable Smith's study evolves around reconciling the early republican tradition in Greece and Rome as set out by authors such as Aristotle and Cicero and a more recent tradition

shaped by thinkers such as Machiavelli Locke Montesquieu Adam Smith Madison and Rousseau Gregory Smith adds a further layer of complexity by analyzing how the republican and the larger philosophical tradition have been called into question by the critiques of Nietzsche Heidegger and their various followers For Smith the republican future rests on the future of the tradition of political philosophy In this book he explores the nature of political philosophy and the assumptions under which that tradition can be an ongoing tradition rather than one that is finished He concludes that political philosophy must recover its phenomenological roots and attempt to transcend the self legislating constructivism of modern philosophy Forgetting our past traditions he asserts will only lead to despotism the true enemy of all permutations of republicanism Cicero's thought is presented as a classic example of the phenomenological approach to political philosophy A return to the architectonic understanding of political philosophy exemplified by Cicero is Smith argues the key to the republican future **Epicurean**

Justice Jan Maximilian Robitzsch,2024-03-14 The first English language monograph on the theory of justice advanced by the ancient Greek philosopher Epicurus and his followers **The ^AShadow of Unfairness** Jeffrey Edward Green,2016-06-14

In this sequel to his prize winning book *The Eyes of the People* Green draws on philosophy history social science and literature to ask what democracy can mean in a world where it is understood that socioeconomic status to some degree will always determine opportunities for civic engagement and career advancement *Theorising Rome* Rhiannon Evans,Sonya Wurster,2021-03-10 *Theorising Rome* asks the questions what did Rome the physical location the political entity the literary construct mean in antiquity Equally what has it meant in subsequent centuries This volume addresses these broad questions in a number of complementary ways and each chapter shows that ancient Rome has been recontextualised and remade and in fact re theorised by successive historical periods and literary genres to perform their cultural labour The contributions here approach this question through the lens of Roman literary historical and philosophical texts as well as reception texts which create a new vision of Rome through adaptation allusion and critique Whether ancient or modern these studies show how Rome and Roman texts are recast for each new audience **Oxford Handbook of Epicurus and Epicureanism**

Phillip Mitsis,2020-07-16 This volume offers authoritative discussions of all aspects of the philosophy of Epicurus 340 271 BCE and then traces Epicurean influences throughout the Western tradition It is an unmatched resource for those wishing to deepen their knowledge of Epicureanism's powerful arguments about death happiness and the nature of the material world

Cicero's Skepticism and His Recovery of Political Philosophy Walter Nicgorski,2016-08-11 This book explores Cicero's moral and political philosophy with great attention to his life and thought as a whole The author thinks through Cicero with a close reading of his most important philosophical writings Nicgorski often resolves apparent tensions in Cicero's thought that have posed obstacles to the appreciation of his practical philosophy Some of the major tensions confronted are those between his Academic skepticism and apparent Stoicism between his commitment to philosophy and to politics rhetoric and oratory and between his attachment to Greek philosophy and his profound engagement in Roman culture Moreover the

key theme within Cicero's writings is his intended recovery within his Roman context of both the Socratic focus on great questions of practical philosophy and Socratic skepticism. Cicero's recovery of Socratic political philosophy in Roman garb is then the basis for recovery of Cicero as a notable political thinker relevant to our time and its problems. *The Hellenistic Reception of Classical Athenian Democracy and Political Thought* Mirko Canevaro, Benjamin Gray, 2018-01-19

In the Hellenistic period c. 323–31 BCE Greek teachers, philosophers, historians, orators, and politicians found an essential point of reference in the democracy of Classical Athens and the political thought which it produced. However, while Athenian civic life and thought in the Classical period have been intensively studied, these aspects of the Hellenistic period have so far received much less attention. This volume seeks to bring together the two areas of research, shedding new light on these complementary parts of the history of the ancient Greek polis. The essays collected here encompass historical, philosophical, and literary approaches to the various Hellenistic responses to, and adaptations of, Classical Athenian politics. They survey the complex processes through which Athenian democratic ideals of equality, freedom, and civic virtue were emphasized, challenged, blunted, or reshaped in different Hellenistic contexts and genres. They also consider the reception in the changed political circumstances of Classical Athens of non- and anti-democratic political thought. This makes it possible to investigate how competing Classical Athenian ideas about the value or shortcomings of democracy and civic community continued to echo through new political debates in Hellenistic cities and schools. Looking ahead to the Roman Imperial period, the volume also explores to what extent those who idealized Classical Athens as a symbol of cultural and intellectual excellence drew on, or forgot, its legacy of democracy and vigorous political debate. By addressing these different questions, it not only tracks changes in practices and conceptions of politics and the city in the Hellenistic world but also examines developing approaches to culture, rhetoric, history, ethics, and philosophy, and especially their relationships with politics.

Philosophic Pride Christopher Brooke, 2022-11-29

Philosophic Pride is the first full-scale look at the essential place of Stoicism in the foundations of modern political thought. Spanning the period from Justus Lipsius's *Politics* in 1589 to Jean-Jacques Rousseau's *Emile* in 1762 and concentrating on arguments originating from England, France, and the Netherlands, the book considers how political writers of the period engaged with the ideas of the Roman and Greek Stoics that they found in works by Cicero, Seneca, Epictetus, and Marcus Aurelius. Christopher Brooke examines key texts in their historical context, paying special attention to the history of classical scholarship and the historiography of philosophy. Brooke delves into the persisting tension between Stoicism and the tradition of Augustinian anti-Stoic criticism which held Stoicism to be a philosophy for the proud who denied their fallen condition. Concentrating on arguments in moral psychology surrounding the foundations of human sociability and self-love, *Philosophic Pride* details how the engagement with Roman Stoicism shaped early modern political philosophy and offers significant new interpretations of Lipsius and Rousseau together with fresh perspectives on the political thought of Hugo Grotius and Thomas Hobbes. *Philosophic Pride* shows how the legacy of the Stoics played a vital role

in European intellectual life in the early modern era Political Philosophy John Hamilton Hallowell, Jene M. Porter, 1997
This book is designed as an introduction to the major thinkers in political philosophy. This is a representation of a wide range of philosophers from Plato to Nietzsche. Although it acquaints the reader with some of the key controversies in interpreting each thinker and the socio-cultural context in which they wrote, this book focuses on the arguments developed in each of their key works. Discussing the intellectual, cultural, and social context for each philosopher, this book is a collection of works which comprise the foundation of modern political philosophy.

Epicurean Political Philosophy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Epicurean Political Philosophy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Epicurean Political Philosophy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Epicurean Political Philosophy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Epicurean Political Philosophy Books

1. Where can I buy Epicurean Political Philosophy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Epicurean Political Philosophy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Epicurean Political Philosophy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Epicurean Political Philosophy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Epicurean Political Philosophy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
