Epistle To The Romans A Gospel For All:

The Epistle to the Romans Lawrence R. Farley, 2002 The apostle Paul lived within a swirl of controversy False Christians Judaizers dogged his every step slandering his motives denying his apostolic authorities and seeking to overthrow his Gospel teaching They argued their case loudly and Paul knew that he must give the literary performance of his life The result was the Epistle to the Romans in which he demonstrates the truth of his Gospel a Gospel for All and thereby vindicates his apostolic authority Exposition of the Epistle to the Romans: with Remarks on the Commentaries of Dr. MacKnight, Professor Moses Stuart, and Professor Tholuck Robert Haldane, 1874 **The Epistle to the Romans** Jan Wells, 2003-09 This inductive Bible study focuses on a message for the early Christian church in the city of Rome carefully examining the apostle Paul's concerns for believers This in depth 23 week study takes a close look at the theology presented by Paul and investigates the practical guidelines for those who are in a relationship with Christ *The Epistle to the Romans, with intr. and notes by D. Brown* Paul (st.), 1883 **Commentary on the Epistle to the Romans** Albert N. Arnold, D.B. Ford, 2024-02-05 Reprint of the original first published in 1889 **The Epistle to the Romans** David Brown, 1883 **The Epistle ... to the Romans, with notes and intr., by E.H. Gifford** Paul (st.), 1886 *The expositor's commentary on st. Paul's Epistle to the Romans* Charles Neil, 1882 *Paul's Epistle to the Romans* Ernest Findlay Scott, 1947 It is the aim of the present book to fix attention not so much on the incidental puzzles of the Epistle as on its main intention What are the principles of Christianity as Paul here presents them How does he apply them to the needs of his time How can we give effect to them in our world today which is so different from that of Paul and yet in many respects so like it The Epistle to the Romans for all its wrappings of ancient thought and language is essentially a modern book and only when we so read it can we apprehend its true message Preface Commentary on St. Paul's Epistle to the Romans Frédéric Louis Godet, 1883 *Paul's Letter to the Romans* Peter Stuhlmacher, 1994-01-01 In this book Peter Stuhlmacher stresses the Old Testament and postbiblical Jewish traditions as the primary backdrop to Paul's thought as these traditions were known by Paul himself or mediated to him through Jesus and the early church The themes of the righteousness of God and the corresponding justification of both Jews and Gentiles are viewed as the center of Romans Finally Stuhlmacher seeks to place the apostle's theology within its historical context He overcomes the false dichotomy that has often characterized the study of Romans mediating between the view that it is a general theological treatise that functions as Paul's last testament to his Christian faith on the one hand and the view that it is one particular and occasion bound expression of Paul's thinking The Oxford Companion to Christian Thought Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors

who hail from twenty countries represent as wide a range of perspectives as possible Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays *The Annotated Bible* Arno Clemens Gaebele, 1916
