**Epitaphs to Remember** Janet C. Greene,1993 In earlier times people felt the need to leave a permanent record of who they were and what they stood for Nowadays people tend to keep quiet about those things at least in their final resting place But many have found a new fascination in wandering about an old graveyard They are often touched and moved by what they read there Those people of former generations have much to say to us although with great economy of words because each letter had to be chiseled in stone with hand tools **Enfield, Connecticut** Bob Clark,2006 What is the big attraction to colonial era burying grounds For one thing stepping inside is like taking a giant step into your own personal outdoor museum Whether you are a history buff a genealogy investigator an art aficionado a geology student or just plain curious there will be something in an old graveyard to hold your interest So many fascinating stories are carved into each stone a single grave marker can capture the imagination of a variety of onlookers Who carved this piece of Americana art Where did this piece of stone originate Who lies buried beneath this stone and who was in their family The answers to these questions and many others are changing as more and more records of the time are seeing the light of day once again As so many stones of that era remind us life is short Dont squander a chance to enjoy what is in front of you Welcome to the world of the colonial burying grounds in Enfield Connecticut **The A-Z of Death and Dying** Michael John Brennan,2014-02-17 This engaging and informative resource provides readers with an understanding of the social cultural and historical influences that shape our encounters with death dying and bereavement a universal experience across humanity Written in an engaging and accessible style by leading international scholars and practitioners from within the field of death and bereavement studies this book will have broad appeal providing in a single volume insights from some of the key thinkers within the interdisciplinary field of death dying and bereavement Its approximately 200 entries will serve as useful starting points for those new to the topic and will be informative to those already acquainted with some of the core concepts and ideas within this burgeoning field of inquiry This encyclopedia will serve as an essential resource for high school and undergraduate students those engaged in independent research and professionals whose work involves caring for the dead dying and bereaved It will also be of great interest to general readers intrigued by the social medical and cultural dimensions to human mortality Underscored by the inescapable biological certainties that affect us all The A Z of Death and Dying offers a highly relevant examination of the social and historical variation in the rituals practices and beliefs surrounding the end of life

*Last Laughs* Kathleen E. Miller,2006 Laugh in the face of death That s what this bold brash and often irreverent collection of epitaphs encourages readers to do It offers more than just the deceased s name and dates of birth and death plus a touching phrase in memorial Instead every fascinating quote presents an unexpectedly cheeky perspective on the tragic like this one from Uniontown New Jersey Here lies the body of Jonathan Blake stepped on the gas pedal instead of the brake Some come from the gravestones of the famous Bette Davis s proudly notes that she did it the hard way Each thought

provoking line makes an indelible contribution to our folklore      *Stories Carved in Stone* Rusty Clark, 2006 The story of Holyoke the industrial marvel of the mid nineteenth century begins in the small church centered farming community at the turn of the 18th century It wasn't until the mid 1840s about the time the Connecticut River Railroad was built through Ireland Parish that the little village on the rapids began to attract the attention of outsiders In 1848 Holyoke with its proposed configuration of dams canals and mills became the first planned industrial city in the United States Laborers earning eighty five cents a day built three dams across the rapids and excavated nearly five miles of canals Though intended as a textile city by 1890 there were twenty six paper mills As the mills proliferated a steady source of labor was needed and immigration began in earnest Holyoke Massachusetts *Stories Carved in Stone* takes you into Holyoke's graveyards for a look at more than two hundred and fifty years of history and the people who lived it This third book in the *Stories Carved in Stone* series completes the three part overview of early West Springfield Massachusetts before Agawam and Holyoke became towns Together they present a full picture of the gravestone carvers the mourning practices and the families who lived and died here Gravestone fans and genealogists alike will find much to explore in these old cemeteries      *Here Lies Linc* Delia Ray, 2012-08-28 When 12 year old Linc Crenshaw decides he wants to go to public school his professor mom isn't so happy with the idea He's convinced it will be the ticket to a new social life Instead it's a disaster when his mom shows up at their field trip to the local cemetery to lecture them on gravestones and Linc sees her through his fellow students eyes He's convinced his chances at a social life are over until a cemetery related project makes him sought after by fellow students he's not so sure he wants as friends helps him make a new genuine friend and brings to light some information about his family that upends his world Delia Ray has written a funny heartfelt story about a lonely kid and his mother as they ultimately cope with the grief left behind from his dad's death and along the journey find new ways to connect with each other and their community      *The White Rose* Jean Hanff Korelitz, 2024-09-24 New York Times Bestselling Author of *The Plot* A May December romance tale rife with deliciously cutting social satire and observations on growing older Vogue Passion infidelity social climbing and one very special white rose weave a seductive narrative in this droll sexy and very clever novel Scott Turow author of *Presumed Innocent* At forty eight Marian Kahn a professor of history at Columbia has reached a comfortable perch Married wealthy and the famed discoverer of the eighteenth century adventuress Lady Charlotte Wilcox she ought to be content Instead she is horrified to find herself profoundly in love with twenty six year old Oliver the son of her eldest friend When Marian's cousin the snobbish Barton announces his engagement to Sophie a graduate student in Marian's department Marian Oliver and Sophie find their lives woefully entangled and their hearts turned in unfamiliar directions From the West Village to the Upper East Side from the Hamptons to Millbrook *The White Rose* is at once a nuanced and affectionate reimagining of Strauss's beloved opera *Der Rosenkavalier* and a mesmerizing novel of our own time and place Utterly charming and sharply written Seattle Times A satisfying emotionally rich read Publishers Weekly      **Epitaph**
