Equipping Your Child For Spiritual Warfare Helping Families Grow:

Equipping Your Child for Spiritual Warfare Bob Laurent,1991 **Small but Mighty** Sharee Dorsett,2020-07-21 Through the spiritual attacks I learned how to pray on another level declare the Word of the Lord and teach my son that he had a host of heavenly help ready to be deployed on his behalf A Parent s Guide to Raising Spiritual Warriors Night after night Sharee Dorsett s three year old son was tormented by How to Work with Your Child's Teachers Cliff Schimmels,1991

Improving Your Child's Self-image Bob Laurent,1991 **Helping Your Child Love to Read** Elaine K. McEwan-Adkins,1991 **Family Vacations That Work** Tim Hansel,1991 **The Christian Mama's Guide to Baby's First Year** Erin MacPherson,2013 The new mom initiation ritual involves sleepless nights an inexplicable obsession with baby booties and more questions than answers This take on everything baby offers new moms the Christian girlfriend advice she needs to feel confident in her new role **Redeeming The Time** Daryl Poe,2024-10-08 The Church s immutable mission is to intentionally share Christ s kingdom The believer s divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God s CLEAR Path Forward biblically examines Christ s transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ s servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple s relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ s transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward **Winning Spiritual Battles: High School Group Study** Jim Burns,2011-12-06 Many youth leaders today feel as if they have their hands full in helping their teens grow into godly young men and women in a culture that glorifies worldliness But the fact is the temptations of our surrounding culture are a symptom of a deeper threat spiritual attack Now pastors and leaders can equip their teens to stand firm against the enemy Winning Spiritual Battles Uncommon High School Group Study one of the Uncommon series of group studies created by veteran youth minister Jim Burns includes 12 session of interactive Bible study

that will guide young people to root themselves in salvation discover their identity in Christ and pray God's Word against spiritual attack Inside the book you'll find a special download link for additional reproducible student handouts and options for every session to tailor each study to your group's unique needs **Battle-Ready Moms Raising Battle-Ready Kids** Reba Bowman, 2009-12 Mom you are in a war for the lives of your children The enemy is real and deceptive and his weapons are varied If your children are going to become the men and women that you want them to be you must take this battle seriously and prepare to fight Battle Ready Moms Raising Battle Ready Kids equips mothers with the weapons they need to fight for the spiritual survival of their children You'll learn Why your role as mom is critically important to the well being of your children How to encourage good choices through connection not rules alone How to build character and nurture individuality How to guide both girls and boys from infancy to young adulthood Using Bible based wisdom and experience based advice Reba Bowman challenges you to become the best mom you can be because the destiny of your children depends on it Reba Bowman is a speaker author and the founder of Dare for More Ministries After years as a coach professor and dean of women she now ministers to women of all ages challenging them to dare for more in their relationships and in their walk with God

Next Level Parenting Rich Rogers, 2009 Finally a parenting book that will really make a difference In Next Level Parenting Rich Rogers draws on his decades of experience as an educator and Christian counselor to challenge you to look deep into the heart of your child and discover what is true In a world where a battle for the next generation is raging Rogers takes you on an interactive journey beneath the surface to the heart and soul of your child where the most profound transformations take root Beyond practical parenting and good behavior how to's Next Level Parenting teaches you how to Parent with discernment wisdom and courage Place as much focus on the spirit realm as you do the physical realm Stand in the gap armed and ready spiritually to battle on your child's behalf Book jacket **Parent-Driven Discipleship** Michael F Kennedy Jr., 2015-08-28 As many Christians bemoan the deterioration of family values in our society have we as Christian parents abdicated our responsibility by spiritually abandoning our children Although the church has a part in our children's spiritual education are we not accountable before God for the spiritual development of our children Statistics reveal that Christian parents are rarely involved in the spiritual lives of their children Scripture however paints a very different picture of what this relationship should look like As parents we have the responsibility to drive the discipleship process in the home We must keep our hands on the wheel and take responsibility to guide our children as they journey through life This includes purposefully sharing the gospel with them teaching them the ways of the Lord and modeling for them a Great Commission focused lifestyle The purpose of this book is to examine the biblical responsibility parents have to be involved in their children's spiritual lives and help equip them to take an active role Michael Kennedy Besides laying out a clear study of the biblical foundation for his call to parents author Michael Kennedy supplies a parent and church questionnaire to give the reader an assessment of their starting place and then proceeds to give practical stepping stones to begin raising their

children in the admonition of the Lord *Partnering with Parents in Youth Ministry* Jim Burns, Mike DeVries, 2003-10-07 The most powerful force in a young person's life is his or her family The importance of this is pointed out in the writing of the Torah in Deuteronomy 6:4-9 where believers are mandated to pass their family legacies to the next generations The newest trend in youth ministry today is a very healthy move toward family based ministry a mindset that helps the Church act as a support system while placing discipleship and training back into the hands of family Partnering with Parents in Youth Ministry will help youth workers understand their unique role in helping families succeed and will give an overview strategy of family based youth ministry as well as practical ideas on implementing this awesome ministry in your church Daily in Christ Neil T.
