Church is today to understand the faith for themselves and to explain it to those outside the Church Their answers to the following problems are still relevant the relationship of God to all the world redemption the Trinity the person of Christ the relationship between God's will and man's and the problem of church and state Today the Church still possesses the faith that overcomes the world and seeks to practice that faith in all of life Twentieth century Christians can be strengthened in that possession and practice through an acquaintance with the teachings of the early Church Fathers This book will guide them

A History of the Early Church Hans Lietzmann, 1953 **Founding the Fathers** Elizabeth A. Clark, 2011-04-12

Through their teaching of early Christian history and theology Elizabeth A Clark contends Princeton Theological Seminary Harvard Divinity School Yale Divinity School and Union Theological Seminary functioned as America's closest equivalents to graduate schools in the humanities during the nineteenth century These four Protestant institutions founded to train clergy later became the cradles for the nonsectarian study of religion at secular colleges and universities Clark one of the world's most eminent scholars of early Christianity explores this development in *Founding the Fathers* Early Church History and Protestant Professors in Nineteenth Century America Based on voluminous archival materials the book charts how American theologians traveled to Europe to study in Germany and confronted intellectual currents that were invigorating but potentially threatening to their faith The Union and Yale professors in particular struggled to tame German biblical and philosophical criticism to fit American evangelical convictions German models that encouraged a positive view of early and medieval Christianity collided with Protestant assumptions that the church had declined grievously between the Apostolic and Reformation eras Trying to reconcile these views the Americans came to offer some counterbalance to traditional Protestant hostility both to contemporary Roman Catholicism and to those historical periods that had been perceived as Catholic especially the patristic era
