Foreigners visiting these regions north of the Scheldt and the Meuse laughed at the rude manners and the deep drinking of the inhabitants but they also mentioned their sincere piety These countries were already what they have ever remained somewhat contemplative and self contained better adapted for speculating on the world and for reproving it than for astonishing it with dazzling wit Read More **Erasmus** Johan Huizinga,1957 Erasmus and Age of Reformation Johan Huizinga,2014-08-03 This collection of literature attempts to compile many of the classic timeless works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them
