,2019     *Korngold in America* Ben Winters,2025 Korngold in America offers new ways of listening to the film scores and post Hollywood concert works of Erich Wolfgang Korngold 1897 1957 a Viennese raised Austro Hungarian composer who left Europe for Hollywood in the mid 1930s to write for Warner Bros It reassesses Korngold s place in twentieth century music historiography and dismantles many of the myths that have obscured a proper understanding of his work Drawing on previously unpublished archival materials Korngold in America reveals Korngold s commercial and artistic relationships with

studio processes and staff highlights aspects of his compositional practice and traces the way in which he adapted his skills as a musical dramatist and experienced opera composer to the demands of film. The book presents a more complete picture of Korngold's artistry than has hitherto been possible, showing both the important role played by his music in the Hollywood films of which it is a part and the importance in turn of Hollywood films for his compositional identity. In so doing it challenges assumptions about the relationship between Korngold's film scores and his works for the concert hall and opera house in ways that draw attention to the significance of Hollywood for histories of twentieth century music. *Erich*

**Diegetic Music in Opera and Film** Robbert van der Lek, 2023-12-11 **Erich Wolfgang Korngold's The Adventures of Robin Hood** Ben Winters, 2007-03-01 Among the many fine examples of film scores by Erich Wolfgang Korngold 1897-1957 the score for *The Adventures of Robin Hood* 1938 stands out the most. Winner of the Academy Award™ for best dramatic score in 1938 it is seen by many as the archetypal accompaniment to a Warner Brothers swashbuckler and it established Korngold as one of the leading exponents of film score composition at a formative point in its history. In *Erich Wolfgang Korngold's The Adventures of Robin Hood: A Film Score Guide* author Ben Winters uses manuscript and archival research to challenge preconceived notions about the score's composer and its authorship. In the first two chapters Winters examines Korngold's career on its own and in relation to the film, including his background in composing concert music and opera, his film scoring techniques and his engagement with the Hollywood studio system. Chapter three focuses on the *Robin Hood* film while placing Korngold's music in a larger framework. It examines the film's treatment of the *Robin Hood* legend, its historical and critical contexts and its place within the swashbuckler genre and the studio's anti-fascist agenda. While looking closely at the composer's work on this score, chapter four shows sources Korngold used, the music's production process and the changes the score had undergone. The book concludes with a thematic analysis and reading of the score, identifying the various musical voices that the listener weaves together as he or she experiences the film. This detailed consideration of Korngold's masterpiece will be continually turned to by film and music scholars alike. *Placing Korngold* Marian Poole, 2004
