

Bisexuality, Gaia, Eros: Portals to the Arts of Loving

SERENA ANDERLINI-D'ONOFRIO

University of Puerto Rico, Mayaguez, Puerto Rico

This article presents bisexuality as a portal to the arts of loving where Eros, the energy of love, is recognized as what makes Gaia, the third planet Earth, alive. It is a reflection on the author's experience as a keynote speaker at BiReCon, and as a participant in BiReCon and BiCon.¹ The article is organized into three sections. The Preamble muses about how bisexuality manifests today, the current status of the bisexual movement, and how bisexuals (bis) are positioned within lesbian, gay, bisexual, transgender (LGBT) communities, their institutions and in mainstream society. In this first section the author reflects upon her experience at the events. Addressing the Audience is a rendition of her actual keynote address. This second section focuses on why it's key at this time to see bisexuality as a portal to a world that is more eco-friendly and erotophilic. By way of Annie Sprinkle's evolving work, the section establishes continuity between bisexuality and ecosexuality. The author also uses her own experience of bisexual erasure at the French libertine resort of Cap d'Agde to encourage more research and education about bisexuality and the multiple contexts where it manifests. The address also invites readers to imagine the world behind this portal, where a paradigm shift has already occurred. Love is considered an art, Gaia is recognized as the 'gay' planet, the homo/betero divide has disappeared, and the energy of Eros circulates beyond socially constructed binaries. The third section or Conclusion suggests ways to initiate this shift by considering 'organic bisexuality' and 'bolistic sexual health.'

A Lake for the Heart Luigi Anderlini, 2005 Anderlini is at his best when his tones are serious yet dreamy The long political militancy hasn t made the smallest dent in the strong shell of his being On the contrary in some ways it has protected it and made it stronger It feels as if as time went by the poet was maturing a tender and affectionate vision of the world and human beings albeit a disenchanted one which is communicated in poems such as Angina Pectoris and Smile Alberto Asor Rosa

Foucault's Strange Eros Lynne Huffer,2020-06-16 What is the strange eros that haunts Foucault s writing In this deeply original consideration of Foucault s erotic ethics Lynne Huffer provocatively rewrites Foucault as a Sapphic poet She uncovers eros as a mode of thought that erodes the interiority of the thinking subject Focusing on the ethical implications of this mode of thought Huffer shows how Foucault s poetic archival method offers a way to counter the disciplining of speech At the heart of this method is a conception of the archive as Sapphic the past s remains are like Sappho s verses hole ridden scattered and dissolved by time Listening for eros across fragmented texts Huffer stages a series of encounters within an archive of literary and theoretical readings the eroticization of violence in works by Freud and Eve Kosofsky Sedgwick the historicity of madness in the Foucault Derrida debate the afterlives of Foucault s antiprison activism and Monique Wittig s Sapphic materialism Through these encounters Foucault s Strange Eros conceives of ethics as experiments in living that

work poetically to make the present strange Crafting fragments that dissolve into Sapphic brackets Huffer performs the ethics she describes in her own practice of experimental writing Foucault's Strange Eros hints at the self hollowing speech of an eros that opens a space for the strange *Eros* Edith Cavidece, 1969 *Out of Step* Anthony Moll, 2018 A queer coming of age story set against the backdrop of the U S military during the Don't Ask Don't Tell era **Eros the Bittersweet** Anne Carson, 1986 Epigrammatic witty ironic and endlessly interesting *Eros* is an utterly original book by an author whose acclaim has been steadily growing since the book was first published in 1986 by Johns Hopkins *Boyslut* Zachary Zane, 2023-05-09 A 2024 LAMBDA LITERARY AWARD FINALIST Zachary Zane is one of the best sex writers working today Dan Savage New York Times bestselling author Named a Most Anticipated LGBTQ Book of the Year by Buzzfeed A sex and relationship columnist bares it all in a series of essays part memoir part manifesto that explore the author's coming of age and coming out as a bisexual man and move toward embracing and celebrating sex unencumbered by shame As a boy Zachary Zane sensed that all was not right when images of his therapist naked popped into his head Without an explanation as to why a deep sense of shame pervaded these thoughts Though his therapist assured him a little imagination was nothing to be ashamed of over the years society told him otherwise *Boyslut* is a series of personal and tantalizing essays that articulate how our society still shames people for the sex that they have and the sexualities that they inhabit Through the lens of his bisexuality and much self described sluttiness Zane breaks down exactly how this sexual shame negatively impacts the sex and relationships in our lives and through personal experience shares how we can unlearn the harmful entrenched messages that society imparts to us From stories of drug fueled threesomes and risqu Grindr hookups to insights on dealing with rejection and living with his boyfriend and his boyfriend's wife *Boyslut* is reassuring and often painfully funny but is most potently a testimony that we can all learn to live healthier lives unburdened by stigma **18 Months** Shannon Thrace, 2023-05-31 Shannon is no stranger to alternative lifestyles so when her husband begins crossdressing she sees no problem Trouble is brewing though As Jamie's identity evolves Shannon learns that love isn't always enough *A Cup of Water Under My Bed* Daisy Hernández, 2024-09-17 The PEN Literary Award winning author writes with honesty intelligence tenderness and love about her Colombian Cuban heritage and queer identity in this poignant coming of age memoir Sandra Cisneros author of *The House on Mango Street* In this lyrical coming of age memoir Daisy Hernández chronicles what the women in her Cuban Colombian family taught her about love money and race Her mother warns her about envidia and men who seduce you with pastries while one aunt bemoans that her niece is turning out to be una india instead of an American Another auntie instructs that when two people are close they are bound to become like you a y mugre fingernails and dirt and that no Daisy's father is not godless He's simply praying to a candy dish that can be traced back to Africa These lessons rooted in women's experiences of migration colonization y cario define in evocative detail what it means to grow up female in an immigrant home In one story Daisy sets out to defy the dictates of race and class that preoccupy her mother and that as but dating women
