*The Fork in the Road* Steven K. Tegovich,2008-11-04 It was September of 1985 Nick Stavros was barely 24 years old and going nowhere fast Two years ago the day before he found out he had to drop out of college his life seemed full of promise Today he his best friend Max and their merry band of misfits sold cars by day and chased women by night Hung over every morning Broke at the end of every week Going nowhere fast with nothing but blind hope ahead It was perhaps Prometheus who saw their plight who sent the lightning bolt from the

Heavens On September 5 1985 Nick Stavros and Max Davis held in their hands the only winning ticket for the Arizona Lottery s biggest jackpot ever the biggest jackpot in United States history the biggest jackpot ever awarded in the world And just like that everything changed forever The Fork In The Road is a laugh out loud adventure that starts with a bang and never lets up for a moment It s a Butch and Sundance buddy story a deeply romantic love story a side splitting comedy and a classic tragedy Nick s and Max s windfall touches the lives of many for both better and worse This novel brings to life in vivid detail unforgettable characters exotic locations and twisting plots that are guaranteed to keep the reader at the edge of their seats laughing crying and turning pages to its climactic conclusion and inescapable moral awakening It has a message that will resonate in every reader it touches Once read you too will declare The Fork In The Road is my favorite book ever Steven K Tegovich s next novel is called Nine Tenths Of A Cent a legal thriller detailing a trillion dollar class action lawsuit against the Oil Industry for decades of over billing the American people a tenth of a cent at a time A compelling premise ripped right from today s headlines Coming soon

*Eavesdropping* Lucy Huskinson, Terrie Waddell, 2014-11-27 What can depictions of psychotherapy on screen teach us about ourselves In *Eavesdropping* a selection of contributions from internationally based film consultants practicing psychotherapists and interdisciplinary scholars investigate the curious dynamics that occur when films and television programmes attempt to portray the psychotherapist and the complexities of psychotherapy for popular audiences The book evaluates the potential mismatch between the onscreen psychotherapist whose raison d tre is to entertain and engage global audiences and the professional real life counterpart who becomes intimately involved with the dramas of their patients While several contributors conclude that actual psychotherapy and the way psychotherapists and their clients grapple with notions of fantasy and reality would make a rather poor show *Eavesdropping* demonstrates the importance of psychotherapy and psychotherapists on screen in assisting us to wrestle with the discomfort and humour of our lives Offering a unique insight into perceptions of psychotherapy *Eavesdropping* will be essential and insightful reading for analytical psychologists psychoanalysts academics and students of depth psychology film and television studies media studies and literature as well as filmmakers
