

Erotic Impulse

Havelock Ellis

Erotic Impulse:

Wagner and the Erotic Impulse Laurence Dreyfus, 2012-05-07 Though his image is tarnished today by unrepentant anti-Semitism Richard Wagner 1813-1883 was better known in the nineteenth century for his provocative musical eroticism. In this illuminating study of the composer and his works Laurence Dreyfus shows how Wagner's obsession with sexuality prefigured the composition of operas such as *Tannhäuser*, *Die Walküre*, *Tristan und Isolde* and *Parsifal*. Daring to represent erotic stimulation, passionate ecstasy and the torment of sexual desire, Wagner sparked intense reactions from figures like Baudelaire, Clara Schumann, Nietzsche and Nordau whose verbal tributes and censures disclose what was transmitted when music represented sex. Wagner himself saw the cultivation of an erotic high style as central to his art, especially after devising an anti-philosophical response to Schopenhauer's metaphysics of sexual love. A reluctant eroticist, Wagner masked his personal compulsion to cross-dress in pink satin and drench himself in rose perfumes while simultaneously incorporating his silk fetish and love of floral scents into his librettos. His affection for dominant females and surprising regard for homosexual love likewise enable some striking portraits in his operas. In the end, Wagner's achievement was to have fashioned an oeuvre which explored his sexual yearnings as much as it conveyed as never before how music could act on erotic impulse.

Pornographic Sensibilities Nicholas R. Jones, Chad Leahy, 2020-11-29 *Pornographic Sensibilities* stages a conversation between two fields: Medieval Early Modern Hispanic Studies and Porn Studies that traditionally have had little to say to each other. The collection offers innovative new approaches to the study of gendered and sexualized bodies in medieval and early modern textual production, including literary and historical documents. The volume's embrace of the interpretative tools of Porn Studies also inscribes a critical provocation: in what ways can contemporary modes of reading the past serve to freshly illuminate not only the contours of that same past but also the very critical assumptions of the present upon which fields like medieval and early modern Hispanic Studies are built. In this way *Pornographic Sensibilities* encourages at once both rigorous historicizations of pre- and early modern culture and playful engagement with presentism, considered here as a critical tool to undress the hidden assumptions of both past and present. This move substantively challenges long-held critical orthodoxies among scholars of pre-Enlightenment periods for whom the very category of pornography itself has often problematically been framed as an anachronism when applied to their work.

Stoic Eros Simon Shogry, 2024-02-07 The Stoics distinguish two forms of eros. In vicious agents, eros is indeed a passion and thus born out of a defective rational judgment about what is needed for happiness. But there is also a positive form of erotic love practiced by the Sage on the basis of knowledge, which aims to reproduce his virtuous condition in others. In this *Element*, the author shows how the Stoics' wider theoretical commitments in ethics, epistemology, aesthetics, and psychology support their duplex account of eros. They also consider the influence of Plato's *Symposium* on the Stoic account, arguing for hitherto unrecognized links with Socratic moral psychology. The *Element* concludes with an assessment of how the Stoic erotic ideal fares in relation to our intuitions.

about the non egoistic and particularized nature of love **Primers for Prudery** Ronald G. Walters,2000-06-16 He provides an updated bibliographical note *Plato, and the Other Companions of Sokrates* by George Grote ,1865 **Deviant Opera** Axel Englund,2020-10-06 Imagine Armida Handel s Saracen sorceress performing her breakneck coloraturas in a black figure hugging rubber dress beating her insubordinate furies into submission with a cane suspending a captive Rinaldo in chains from the ceiling of her dungeon Mozart s peasant girl Zerlina meanwhile is tying up and blindfolding her fianc to seduce him out of his jealousy of Don Giovanni And how about Wagner s wizard Klingsor ensnaring his choir of flower maidens in elaborate Japanese rope bondage Opera it would appear has developed a taste for sadomasochism For decades now radical stage directors have repeatedly dressed canonical operas from Handel and Mozart to Wagner and Puccini and beyond in whips chains leather and other regalia of SM and fetishism Deviant Opera seeks to understand this phenomenon approaching the contemporary visual code of perversion as a lens through which opera focuses and scrutinizes its own configurations of sex gender power and violence The emerging image is that of an art form that habitually plays with an eroticization of cruelty and humiliation inviting its devotees to take sensual pleasure in the suffering of others Ultimately Deviant Opera argues that this species of opera fantasizes about breaking the boundaries of its own role playing and pushing its erotic power exchanges from the enacted to the actual **Plato, and the Other Companions of Sokrates** George Grote,2024-05-08 Reprint of the original first published in 1875 *Plato, and the Other Companions of Sokrates* George Grote,1865 **Plato, and the other Companions of Sokrates, etc** George GROTE,1865 **Ambitiosa Mors** T. D. Hill,2004-08-01 Although the distinctive and sometimes bizarre means by which Roman aristocrats often chose to end their lives has attracted some scholarly attention in the past most writers on the subject have been content to view this as an irrational and inexplicable aspect of Roman culture In this book T D Hill traces the cultural logic which animated these suicides describing the meaning and significance of such deaths in their original cultural context Covering the writing of most major Latin authors between Lucretius and Lucan this book argues that the significance of the noble death in Roman culture cannot be understood if the phenomenon is viewed in the context of modern ideas of the nature of the self The Broader View of Suicide Said Shahtahmasebi,Hatim A. Omar,2020-03-20 Suicide is a leading cause of death globally and the second biggest cause of death in young people Over 800 000 people commit suicide annually While many approaches to suicide prevention have been proposed the only ones to show even limited success are those at the grassroots level involving everyone from parents to teachers health care providers and the community as a whole This book explores both current and outdated perceptions of suicide and presents a number of novel approaches and tools to prevent suicide **Studies in the Psychology of Sex** Havelock Ellis,1910 **Studies in the Psychology of Sex: The evolution of modesty, the phenomena of sexual periodicity, auto-erotism** Havelock Ellis,1913 *Studies in the psychology of sex v.1, 1920* Havelock Ellis,1920 **Studies in the Psychology of Sex (Vol. 1-6)** Havelock Ellis,2020-07-14 This edition contains three

studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained

The Psychology of Sex (Vol. 1-6) Havelock Ellis, 2020-12-17 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained

Studies in the Psychology of Sex v1 Havelock Ellis, 2015-11-07 Modesty which may be provisionally defined as an almost instinctive fear prompting to concealment and usually centering around the sexual processes while common to both sexes is more peculiarly feminine so that it may almost be regarded as the chief secondary sexual character of women on the psychical side The woman who is lacking in this kind of fear is lacking also in sexual attractiveness to the normal and average man The apparent exceptions seem to prove the rule for it will generally be found that the women who are not

immodest for immodesty is more closely related to modesty than mere negative absence of the sense of modesty but without that fear which implies the presence of a complex emotional feminine organization to defend only make a strong sexual appeal to men who are themselves lacking in the complementary masculine qualities As a psychical secondary sexual character of the first rank it is necessary before any psychology of sex can be arranged in order to obtain a clear view of modesty The immense importance of feminine modesty in creating masculine passion must be fairly obvious I may however quote the observations of two writers who have shown evidence of insight and knowledge regarding this matter Casanova describes how when at Berne he went to the baths and was according to custom attended by a young girl whom he selected from a group of bath attendants She undressed him proceeded to undress herself and then entered the bath with him and rubbed him thoroughly all over the operation being performed in the most serious manner and without a word being spoken When all was over however he perceived that the girl had expected him to make advances and he proceeds to describe and discuss his own feelings of indifference under such circumstances Though without gazing on the girl s figure I had seen enough to recognize that she had all that a man can desire to find in a woman a beautiful face lively and well formed eyes a beautiful mouth with good teeth a healthy complexion well developed breasts and everything in harmony It is true that I had felt that her hands could have been smoother but I could only attribute this to hard work moreover my Swiss girl was only eighteen and yet I remained entirely cold What was the cause of this That was the question that I asked myself *Studies in the Psychology of Sex: The evolution of modesty. The phenomena of sexual periodicity. Auto-erotism. [3d ed., rev. and enl* Havelock Ellis,1920 **The evolution of modesty, the phenomena of sexual periodicity, auto-erotism** Havelock Ellis,1910 **The Evolution of Modesty** Havelock Ellis,1900

The Enigmatic Realm of **Erotic Impulse**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Erotic Impulse** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
