Stephens**

## **Erotic Justice A Liberating Ethic Of Sexuality:**

*Erotic Justice* Marvin Mahan Ellison,1996-01-01 Ethicist Marvin Ellison compellingly argues that current crises in family personal life and sexuality are related to our culture s prevailing attitudes about human sexuality He proposes a liberating Christian ethic of erotic justice that goes beyond the prevailing patriarchal paradigm *Professional Sexual Ethics* Patricia Beattie Jung,Darryl W. Stephens,2013-12-01 Sexual health is an essential part of maintaining professional relationships in ministry Focusing on implications for the practice of ministry this book engages all dimensions of theological education and academic disciplines Each chapter includes an analysis of common ministry situations discussion questions practical guidelines and resources for further study The volume is ideal for use in courses on professional ethics for ministry advanced leadership training and continuing education for clergy **From Sin to Amazing Grace** Patrick S. Cheng,2012-03 This book provides a unique synthesis of liberation queer and postcolonial theologians over the last few decades within a unified theological framework It Will advance the inclusion of LGBT people within church and society This book is a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the 21st century Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God s saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ Publisher **Embracing Disruptive Coherence** Kathleen T. Talvacchia,2019-04-18 Does anyone need to come out anymore Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity If gender is a socially constructed performativity then what does coming out mean At the same time we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress The intersectionality of gender with race class ethnicity nationality abilities religion age and other positional markers challenge a simplified belief that coming out is not necessary Therefore in the lived experience of many persons coming out still matters This book initiates a different theological conversation about coming out It argues that rather than the declaration of an identity category coming out can be understood as the erotic ethical practice of truth telling The formation of conscience and moral integrity embody the two pillars of this erotic practice Coming out understood as disruptive coherence is the erotic ethical practice of truth telling grounded in our deepest desires to be known authentically in community *Eros and Touch from a Pagan Perspective*

Christine Hoff Kraemer, 2013-10-23 Within the past twenty years contemporary Pagan leaders progressive Christian and Goddess theologians advocates for queer and BDSM communities and therapeutic bodyworkers have all begun to speak forcefully about the sacredness of the body and of touch Many assert that the erotic is a divinely transformative force both for personal development and for social change Although the erotic includes sexuality it is not limited to it access to connected nonsexual touch is as profound a need as that for sexual freedom and health In this book Christine Hoff Kraemer brings together an academic background in religious studies and theology with lived experience as a professional bodyworker and contemporary Pagan practitioner Arguing that the erotic is a powerful moral force that can ground a system of ethics Kraemer integrates approaches from queer theology therapeutic bodywork and sexual minority advocacy into a contemporary Pagan religious framework Addressing itself to liberal religious people of many faiths *Eros and Touch from a Pagan Perspective* approaches the right to pleasure as a social justice issue and proposes a sacramental practice of mindful consensual touch

**Body and Soul** Marvin M. Ellison, Sylvia Thorson-Smith, 2008-07-01 Ellison and Thorson Smith have coedited a collection of essays in collaboration with two dozen prominent theologians that plays off the controversial 1991 Presbyterian study they coauthored entitled *Keeping Body and Soul Together Sexuality Spirituality and Social Justice* and takes stock of sexuality religion and ethics at the beginning of the new millennium The cutting edge analyses address the possibilities and demands of a justice love ethic for individuals church and society

**Sexuality and the Sacred, Second Edition** Marvin M. Ellison, Kelly Brown Douglas, 2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve since this book's first edition was published in 1994 This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race racism and sexuality transgender identity same sex marriage and reproductive health and justice

**The Meaning of Sex** Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues *The Meaning of Sex* provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world

**Contemporary Theological Approaches to Sexuality** Lisa Isherwood, Dirk von der Horst, 2017-08-23 *Contemporary Theological Approaches to Sexuality* provides a much needed overview of the state of scholarship on Christian theological reflection on sexuality and sexual theology Critically it also intervenes in the cultural debate over sexuality by privileging feminist queer and other counter normative perspectives Comprising twenty three chapters by a team of international contributors this

volume is divided into four parts Normativity and transgression Bodies Economies and violence Divinity Within these sections central issues debates and problems are examined including consideration of the complexities of Christian theology in regard to contemporary sexuality debates Contemporary Theological Approaches to Sexuality is essential reading for students and researchers in the field of religion sexuality and Christianity      **Desirable Belief** Margaret D Kamitsuka, 2024-09-10 This book offers an analysis of erotic love in the Bible patristic theology mystical writings philosophy and literature Eschewing hyper conservative shaming of lust and overly optimistic views of eros as sacred and liberating the book demonstrates how eros illuminates core Christian beliefs about Jesus Christ the afterlife and the Trinity      *The Poetics of Intimacy and the Problem of Sexual Abstinence* Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality      **Theology and Sexuality** Susannah Cornwall, 2013 The SCM Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences Introducing key themes in theological anthropology and pastoral practice it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care Working with case studies the book will introduce broad frameworks of understanding of issues such as growth loss and sexuality together with critical perspectives on important aspects of practice such as language power and boundaries The book provides an accessible overview of key concepts in pastoral theology offering key entry points for further discussion and study Each chapter includes discussion questions and or reflective exercises at the end of each chapter together with a short bibliography Throughout the text key summaries of learning will be indicated by boxed Practice Points      **The Legacy of Billy Graham: Critical Reflections on America's Greatest Evangelist** Michael G. Long, 2008 Perhaps no individual person has had more of an effect on twentieth century American Christianity than the renowned evangelist Billy Graham And although Graham s influence on evangelicalism has long been recognized Michael G Long s The Legacy of Billy Graham is the first book to examine his impact on mainline Christianity and American civil religion With contributors both noted and revered this critical but appreciative volume poignantly assesses Graham s career With fairness and clarity these prominent mainline to progressive scholars shed valuable light on the evangelist s theology and preaching his influential perspectives on politics and economics feminism and sex war and peace and race and power as well as his engagement with powerful contemporaries including

Martin Luther King Jr and Reinhold Niebuhr before concluding with two insightful retrospectives on his legacy Back cover of book A Blackqueer Sexual Ethics Elyse Ambrose,2024-05-30 In A Blackqueer Sexual Ethics Embodiment Possibility and Living Archive Elyse Ambrose looks to an archive of Blackqueerness as an authoritative source for religious ethical reflection This approach counters the disintegrative norms of anti Black and anti body traditionalism in Christian sexual ethics even those that strive to be liberative It builds upon a tradition of Black queer and LGBTQ centered critique at the intersections of race sexuality gender and religion through exploring the moral imagination of sexual and gender non conformist communities in 1920 s Harlem their rent parties blues environments and Hamilton Lodge Ball ethics and theology blackqueering the disciplines and contemporary oral histories including photographs of the subjects by the scholar artist of those doing ethics in their Blackqueerness These serve as integrative sites that signal Blackqueer ethical counter patterns of communal belonging individual and collective becoming goodness embodied spirit inspired bodies and shared thriving Emphases on both personal and social right relatedness mark a shift from Christian sexual ethics based on rules toward a communal relations based transreligious ethics of sexuality Struggling in Good Faith D'vorah Rose, BCC,2015-12-14 A multifaceted sourcebook telling the powerful story of reconciliation celebration and struggle for LGBTQI inclusion across the American religious landscape No matter what stage in the process of change religious belief is unveiled in all its dynamism in this book Wrestling with issues and struggling for better understanding of one s fellow human beings is at the center of every religion no matter how old or new narrow or expansive Western or Eastern that religion is The struggle itself is a sign of life in these religious endeavors and with life there is hope from the Foreword by Bishop Gene Robinson We are at a critical turning point in American religious and political life over LGBTQI inclusion How each spiritual community approaches the question will profoundly impact the American political and social climate of the future This accessible resource explores thirteen faith traditions that wrestle with LGBTQI inclusion documenting the challenges and transformation of American religion Faith Traditions Covered The Black Church Buddhism The Church of Jesus Christ of Latter day Saints Mormon The Episcopal Church First Nations Native American Hinduism Judaism The Lutheran Church Islam The Presbyterian Church Protestant Evangelical Traditions The Roman Catholic Church Unitarian Universalism New Feminist Christianity Mary E. Hunt,Diann L. Neu,2012-01-01 Powerful insights from ministers theologians activists leaders artists and liturgists who are shaping the future Christianity has been a source of the oppression of women as well as a resource for unleashing women s full humanity Feminist analysis and practice have recognized this Feminist Christianity is reshaping religious institutions and religious life in more holistic inclusive and justice focused ways from the Introduction Feminism has brought many changes to Christian religious practice From inclusive language and imagery about the Divine to an increase in the number of women ministers Christian worship will never be the same Yet even now there is a lack of substantive structural change in many churches and complacency within denominations The contributors to this book are the thought leaders who are shaping and

being shaped by the emerging directions of feminist Christianity They speak from across the denominational spectrum and from the many diverse groups that make up the Christian community as it finds its place in a religiously pluralistic world Taken together their voices offer a starting point for building new models of religious life and worship Topics covered include feminist Theological Visions Scriptural Insights Ethical Agendas Liturgical and Artistic Frontiers Ministerial Challenges

The Romance of Innocent Sexuality Geoffrey Rees, 2011-01-01 From the polling place to the pulpit The Romance of Innocent Sexuality investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person Through a constructive engagement with the writings of Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons      **Making Love Just** Marvin M. Ellison, 2012 These

days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability It s time to redraw the ethical map But how should a contemporary Christian ethic of sexuality be formulated Marvin Ellison a pioneer in contemporary Christian rethinking of sexuality and sexual ethics uses a series of provocative questions to increase readers skills and confidence for engaging in ethical deliberation about sexuality Students and all adults will welcome this book for enabling their personal clarity approach to relationships and mindful participation in respectful moral debate Publisher description

**Radical Love** Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However Radical Love is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians      Marriage After Modernity Adrian Thatcher, 1999-09 For

most Christians marriage is considered a sacrament created and uniquely blessed by God Yet the theology of marriage rarely matches the actual experience Marriage is too often a violent loveless institution and it is increasingly delayed avoided or terminated Marriage After Modernity offers new hope for Christian marriage at a time of unprecedented social and theological change It provides an unreserved commendation of Christian marriage reaffirming its status as a sacrament and institution of mutual self giving At the same time it breaks new ground It draws on earlier traditions of betrothal and informal marriage to accept some forms of pre marital cohabitation and provides a new defense of the link between marriage and procreation by sketching a theology of liberation for children Chapters shed new light on divorce and legitimate theological grounds for the parting of the ways contraception and the question of whether marriage is a heterosexual institution Particular attention is paid throughout the book to overcoming the androcentric bias of much Christian thought and the distorting effect it has had on marriage Marriage After Modernity argues for a vision of marriage which does not abandon its history and which draws upon its premodern roots to grapple with our current social cultural and intellectual upheavals

## Reviewing **Erotic Justice A Liberating Ethic Of Sexuality**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing.
