**Feminist Bookstore News**, 1997 *The Vampire in Nineteenth Century English Literature* Carol A. Senf, 1988 Carol A Senf traces the vampire s evolution from folklore to twentieth century popular culture and explains why this creature became such an important metaphor in Victorian England This bloodsucker who had stalked the folklore of almost every culture became the property of serious artists and thinkers in Victorian England including Charlotte and Emily Bront George Eliot Charles Dickens Karl Marx and Friedrich Engels People who did not believe in the existence of vampires nonetheless saw numerous metaphoric possibilities in a creature from the past that exerted pressure on the present and was often threatening because of its sexuality

*Dreaming of Hitler* Daphne Merkin, 1997 Few writers today have created more stir than Daphne Merkin admired as much for her personal daring on the page as for the wit and power of her prose Whether writing about the sexual pleasures of spanking a piece that elicited a storm of response when it appeared in The New Yorker losing her religion her obsession with rock n roll her own failed marriage or other vexed subjects she is always tough minded compulsively readable and at times recklessly candid From her own cosmetic surgery fix to her flirtation with the idea of lesbianism from the subversive thrill of shoplifting to the hidden madness of family life she takes on the taboos and sacred cows we re fascinated by but seldom talk about The bold and startling title essay in which she confronts the demons of the Holocaust is an example of this gifted writer at her most affecting intensely self probing but profoundly engaged with the world at large Once in a while a writer appears who can immerse herself in the complex raging currents of her time and make sense of them In this dazzling collection of maverick essays at once bracingly intelligent morally reflective and richly entertaining Daphne Merkin illuminates the often tragicomic secrets that tell the true story of the way we live now
