**Erskine Caldwell** Erskine Caldwell,1999 I m just an ordinary writer Erskine Caldwell once wrote I m not trying to sell anything I m not trying to buy anything I m just trying to present my vision of life His ostensibly unsolicitous vision of Southern grotesques of the slack jawed pellagra ridden sharecroppers repressed farmwives and oversexed nymphets elicited however anything but an ordinary response Hailed by the likes of F Scott Fitzgerald and Maxwell Perkins reviled by others as a pornographer or sensationalist Caldwell was once called America s most popular author Once the furor flagged Caldwell was relegated to the mansions of subliterate where his reputation resides today This book contains more than 150 previously unpublished letters notes telegrams and postcards written between 1929 and 1955 at the peak of Caldwell s popularity and influence all extensively annotated The Introduction assays Caldwell s significance in American popular culture and literary studies and establishes the importance of Caldwell s correspondence as a means of understanding the intentions of a man who was otherwise terse and unforthcoming about his work Erskine Caldwell , Highlights American writer Erskine Caldwell 1903 1987 Notes that Caldwell was controversial and that his work which featured themes of social injustice and the portrayal of rural poverty in the South was often censored Describes his novels and lists his short stories plays and nonfiction **Erskine Caldwell: His Life, His Works, His Genius** William Stephens Yaman,Erskine

**Erskine Caldwell** Dan B. Miller,1998-06-01 A major new biography Erskine Caldwell The Journey from Tobacco Road presents the fascinating life and times of a prolific and profoundly influential yet nearly forgotten figure in American literature In the 1930S and 40s Erskine Caldwell s impassioned work dealing with the Southern poor most notably the novels

Tobacco Road and God's Little Acre earned him wide critical acclaim. Although many Southerners reviled him for his brutal exposes of their region, literary scholars at the time ranked him alongside Fitzgerald, Wolfe, and Steinbeck. William Faulkner thought him one of America's five greatest novelists, and as late as 1960 Caldwell was under consideration for the Nobel Prize. Although Caldwell worked for years in abject poverty, eventually his commercial success matched his lofty critical standing. The dramatic adaptation of Tobacco Road became the biggest hit in Broadway history, and paperback editions of Caldwell's novels frequently under attack for their explicit sexuality, sold in record numbers around the globe. By the 1960s, in fact, his publicists declared him The World's Best Selling Novelist, and by 1970 he had written more than one hundred short stories and twenty-five novels. This should have secured Caldwell an enduring place in America's literary history, but today he is largely forgotten, one of the great disappearing acts in American letters. Caldwell's personal life was no less complicated than his professional one, and Dan B. Miller's evocation of it is uncommonly subtle and provocative. Lonely and isolated as a boy, Caldwell treated his own children with alternating neglect and brutality. He was married four times, once to the photojournalist Margaret Bourke White, had a number of extramarital affairs, drank heavily, and was prone to violent mood swings. Yet Caldwell could be extraordinarily generous, gentle, and funny, a man of startling inconsistencies and startling energy. The first scholar to explore the entire and voluminous collection of Caldwell material at Dartmouth College Library, Dan B. Miller blends narrative grace, keen psychological insight, and dispassionate analysis to trace the tumultuous arc of a true American original and the vibrant literary culture in which he lived.

**Erskine Caldwell** Erskine Caldwell, 1977

**Deep South** Erskine Caldwell, 1995 The author's anecdotes, memories, interviews, and observations offer a portrayal of the religious life of the South and how southern protestantism fared during the social upheaval of the mid-1960s.

**The Legacy of Erskine Caldwell** Stanley W. Lindberg, 1989 Erskine Caldwell evoked strong responses for half a century from the publication of Tobacco Road in 1932 until his death in 1987. His stories made many people aware of an aspect of America that until then had received little attention. They continue to be widely read today, not only in this country but abroad.

**In Search of Bisco** Erskine Caldwell, 2011-06-21

divDIV In this travelogue and memoir, groundbreaking novelist Erskine Caldwell looks back at a life lived in the troubled South. divDIV divDIV Five decades removed from his own Southern childhood, novelist Erskine Caldwell sets out on a journey to find an old friend, a friend lost to him through the culture of segregation. As Caldwell follows a trail through Georgia, South Carolina, and much of the Deep South in search of his black childhood friend Bisco, his interviews with white and black Americans expose a range of attitudes that are tragic, if not surprising. divDIV divDIV Published first in the mid-1960s, just as the South was undergoing a radical transformation by freedom marches and sit-ins, In Search of Bisco offers a heartfelt account of the civil rights movement by one of the region's fiercest critics and most prominent sons. divDIV divDIV This ebook features an illustrated biography of Erskine Caldwell, including rare photos and never-before-seen documents, courtesy of the Dartmouth College Library. div div
