Georgia O'Keeffe Nancy J. Scott, 2015-06-15 Georgia O Keeffe the most famous woman artist of American modernism and a pioneer in abstract art created a vision without precedent She expressed the grandeur of her world in the Southwest from the high desert mesas to the smallest flower with fierce independence And a separate world has risen up around her fame from the photographic nudes of her by Alfred Stieglitz to the iconic images of her years later set in the stunning landscapes of New Mexico In this book Nancy J Scott draws on extensive sources including many of O Keeffe s letters to offer a sensitive and incisive examination of her groundbreaking works their evolution and how their reception has been caught in conflicts between O Keeffe s inner self and public persona Following the young artist as her path breaking abstract charcoal landscapes caught the attention of gallery impresario Stieglitz Scott tells the story of their partnership of Stieglitz s nudes and the development of O Keeffe s early reputation as a sexually inspired Freudian minded artist Scott explores the

independent expression that O Keeffe forged in opposition to the interpretations of her abstract work and the hybrid space that O Keeffe's works came to inhabit. Ultimately she blended the abstract with the real in interpretations of flowers, bones, shells, rocks, and landscapes which would become her hallmark subjects. Unique to this biography is the inclusion of her letters which have only recently been made available. They show that her words can be just as revelatory as her paintings and they offer the intimate voice of an artist alive in an era of great artistic development. The result is a succinct yet comprehensive account of one of the most prolific and important artists of the twentieth century. Biff and Becca's Springtime Escapades Elaine Beachy, 2014-10-08. Wherever Biff goes, trouble seems to follow. Whether he's crashing his bicycle on a rock or making a narrow escape from the back of a pickup truck, Biff has a nose for trouble. Even kids at school call him Biff Bait. He feels like bait on a fishing line that catches and reels in trouble. Can't he be a regular kid for once and have fun? The answer is life-changing to Biff and his parents. With a tender heart for children, the author takes adventurous rabbit siblings and shows how parents' words influence their children. Lively questions at the end of the book are designed to stimulate interaction between parent and child. Biff and Becca's *Springtime Escapades* calls to the child in each of us.
