Hazlet & Its Heritage ,1987 **Hazlet & Its Heritage** ,1987 **The English In Canada Historical 3-Book Bundle** Lucille H. Campey,2014-09-30 Lucille H Campey s acclaimed groundbreaking series on English immigration to Canada is finally available in a collected volume with this complete three book edition A must for genealogists and history lovers interested in the tremendous waves of English immigration to Canada whose story has never been told in its full depth and detail until now *Planters Paupers and Pioneers* English Settlers in Atlantic Canada The first ever comprehensive book written on early English immigration to Canada *Planters Paupers and Pioneers* focuses on the factors that brought the English to Atlantic Canada It traces English arrivals to their various settlements in Nova Scotia New Brunswick Prince Edward Island and Newfoundland and considers their reasons for leaving their homeland Who were they When did they arrive Were they successful And what was their lasting impact Drawing on wide ranging documentary resources this book is essential reading for individuals wishing to trace English and Canadian family links *Seeking a Better Future* The English Pioneers of Ontario and Quebec The exodus from England that gathered pace during the 19th century accounted for the greatest part of the total emigration from Britain to Canada And yet while copious emigration studies have been undertaken on the Scots and the Irish very little has been written about the English in Canada Drawing on wide ranging data collected from English record offices and Canadian archives *Seeking a Better Future* considers why people left England and traces their destinations in Ontario and Quebec Challenging the widely held assumption that emigration was primarily a flight from poverty Campey reveals how the ambitious and resourceful English were strongly attracted by the greater freedoms and better livelihoods that could be achieved by relocating to Canada s central provinces *Ignored but not Forgotten* Canada s English Immigrants The great exodus from England to Canada peaked in the early 20th century and although they were widely ignored in the past as an immigrant group the English are now being given the attention they deserve Drawing on wide ranging documentary and statistical sources *Ignored but not Forgotten* traces this major population movement on a region by region basis Campey reveals the outstanding contributions by English immigrants to Canada s settlement and development and challenges the assumption that English Canadians were a privileged elite In fact most came from humble backgrounds The book is essential reading for genealogists and general readers interested in why the English immigrated to Canada and the great scope of their achievements What critics are saying Campey s chapters are well written and hold the readers attention *GenealogyMagazine.com* A major addition to the literature for those looking for insight into their pioneer immigrant ancestor experience *Anglo Celtic Connections* Lucille Campey has distilled a copious amount of research informative and engaging *The British Columbia Genealogist* *Ignored but Not Forgotten* Lucille H. sources Campey traces this major population movement on a region by region basis
