Morning and Evening Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **The [Thirty Minute Series] of Short Stories:** Ian McPhee,2014-09-15 What did a blind man a leper a Roman centurion and a little child have in common Who were they What was their life story The answer is they all shared one very important moment in time and their lives were impacted and changed forever They all met Jesus the Messiah The Thirty Minute Series is the author s imaginings about these people mentioned only once in the Bible Some of them were not even mentioned by name These were real people who lived and were just like you and me **The Popular Bible Prophecy Commentary** Tim F. LaHaye,Edward E.
