believed she loved Eliot in a way that destroys us both Quoting extensively from Eliot's poetry and prose as well as drawing on new interviews archives and previously undisclosed memoirs Crawford shows how the poet's background in Missouri Massachusetts and Paris made him a lightning rod for modernity Most of all Young Eliot shows us an epoch shaping poet struggling to make art among personal disasters Crawford has done exceptional spadework in turning up clues that takes us deeper into Eliot's symbolic landscapes David Yezzi The New York Times Book Review Tracks in enthralling exhaustive detail the poet's life No possible connection to Eliot's published work however faint or distant goes unnoticed Michael Dirda The Washington Post The most complex and detailed portrait to date Micah Mattix The Wall Street Journal Brilliantly perceptive Damian Lanigan The New Republic
