He Called Them By The Lightning A Teach:

He Called Them by the Lightning Lura Beam, 1967 There have been few books as compassionate and poetic as Lura Beam's memories of her teaching odyssey to the South in the early years of the twentieth century Her brilliant and shrewdly sympathetic observations of a culture whose values were so confused that it is stranger than a race of unicorns have been distilled through the fine lens of seventy years In the telling her story acquires a significance beyond its social importance and becomes a literary document of a journey within the self that youth makes only once Education for Liberation Joe M. Richardson, Maxine D. Jones, 2015-09-30 Education for Liberation completes the study Dr Richardson published in 1986 as Christian Reconstruction The American Missionary Association and Southern Blacks 1861 1890 by continuing the account of the American Missionary Association AMA from the end of Reconstruction to the post World War II era Even after the optimism of Reconstruction was shattered by violence fraud and intimidation and the white South relegated African Americans to segregated and disfranchised second class citizenship the AMA never abandoned its claim that blacks were equal in God's sight that any backwardness was the result of circumstance rather than inherent inferiority and that blacks could and should become equal citizens with other Americans The organization went farther in recognition of black ability humanity and aspirations than much of 19th and 20th century white America by publicly and consistently opposing lynching segregation disfranchisement and discrimination The AMA regarded education as the means to full citizenship for African Americans and supported scores of elementary and secondary schools and several colleges at a time when private schooling offered almost the only chance for black youth to advance beyond the elementary grades Such AMA schools with their interracial faculties and advocacy for basic civil rights for black citizens were a constant challenge to southern racial norms and trained thousands of leaders in all areas of black life **The Works of the British Poets: Cooke's Hesiod, Fawkes's**
