nerves and now she's only worse than you remember and gets herself into so much trouble Good Living Street Tim Bonyhady, 2011-11-15 Vienna and its Secessionist movement at the turn of the last century is the focus of this extraordinary social portrait told through an eminent Viennese family headed by Hermine and Moriz Gallia who were among the great patrons of early twentieth century Viennese culture at its peak Good Living Street takes us from the Gallias middle class prosperity in the provinces of central Europe to their arrival in Vienna following the provision of Emperor Franz Joseph in 1848 that gave Jews freedom of movement and residence legalized their religious services opened public service and professions up to them and allowed them to marry The Gallias like so many hundreds of thousands of others came from across the Hapsburg Empire to Vienna and for the next two decades the city that became theirs was Europe's center of art music and ideas The Gallias lived beyond the Ringstrasse in Vienna's Fourth District on the Wohllebengasse translation Good Living Street named after Vienna's first nineteenth century mayor In this extraordinary book we see the amassing of the Gallias rarefied collections of art and design their cosmopolitan society we see their religious life and their efforts to circumvent the city's rampant anti-Semitism by the family's conversion to Catholicism along with other prominent intellectual Jews among them Gustav Mahler While conversion did not free Jews from anti-Semitism it allowed them to secure positions otherwise barred to them Two decades later as Kristallnacht raged and Vienna burned the Gallias were having movers pack up the contents of their extraordinary apartment designed by Josef Hoffmann The family successfully fled to Australia bringing with them the best private collection of art and design to escape Nazi Austria included were paintings furniture three sets of silver cutlery chandeliers letters diaries books and bookcases furs chinchilla sable sealskin and even two pianos one upright and one Steinway Not since the publication of Carl Schorske's acclaimed portrait of Viennese modernism *Fin de Siècle* Vienna has a book so brilliantly and completely given us this kind of close up look at turn of the last century Viennese culture art and daily life when the Hapsburg Empire was fading and modernism and a new order were coming to the fore Good Living Street re-creates its world atmosphere people energy and spirit and brings it all to vivid life **The Living Age**, 1871 **International Reference Work** Bernhart Paul Holst, 1923 The Widow's Rose Garden George L. Proferes, 2022-05-04 The widow of a reputed mobster is much more than a legal client needing a new will It develops that she has effectively hidden a famous occupation with the use of a pseudonym And the lawyer she engages has never before practiced law had any clients nor is he aware of her other life The setting for this mystery is a remote island in the most eastern stretches of Long Island Sound unlike any of the other small islands that dot the seas off the eastern end of Long Island's north fork On this isle resides a woman shepherd who tends a flock of sheep for the widow She however also has another life being in fact an artist of repute These are only a few of the anomalies that figure prominently in the fast paced thriller filled with many interesting characters a number of sub plots and surprising developments that should keep the reader riveted to its pages from beginning to end Scribner's Monthly, an Illustrated Magazine for the People, 1916
