The Annotated African American Folktales Henry Louis Gates Jr.,Maria Tatar,2017-11-14 Winner NAACP Image Award for Outstanding Literary Work Fiction Winner Anne Izard Storytellers Choice Award Holiday Gift Guide Selection Indiewire San Francisco Chronicle and Minneapolis Star Tribune These nearly 150 African American folktales animate our past and reclaim a lost cultural legacy to redefine American literature Drawing from the great folklorists of the past while expanding African American lore with dozens of tales rarely seen before The Annotated African American Folktales revolutionizes the canon like no other volume Following in the tradition of such classics as Arthur Huff Fauset s Negro Folk Tales from the South 1927 Zora Neale Hurston s Mules and Men 1935 and Virginia Hamilton s The People Could Fly 1985 acclaimed scholars Henry Louis Gates Jr and Maria Tatar assemble a groundbreaking collection of folktales myths and legends that revitalizes a vibrant African American past to produce the most comprehensive and ambitious collection of African American folktales ever published in American literary history Arguing for the value of these deceptively simple stories as part of a sophisticated complex and heterogeneous cultural heritage Gates and Tatar show how these remarkable stories deserve a place alongside the classic works of African American literature and American literature more broadly Opening with two introductory essays and twenty seminal African tales as historical background Gates and Tatar present nearly 150 African American stories among them familiar Brer Rabbit classics but also stories like The Talking Skull and Witches Who Ride as well as out of print tales from the 1890s Southern Workman Beginning with the figure of Anansi the African trickster master of improvisation a spider who plots and weaves in scandalous ways The Annotated African American Folktales then goes on to draw Caribbean and Creole tales into the orbit of the folkloric canon It retrieves stories not seen since the Harlem Renaissance and brings back archival tales of Negro folklore that Booker T Washington proclaimed had emanated from a grapevine that existed even before the American Revolution stories brought over by slaves who had survived the Middle Passage Furthermore Gates and Tatar s volume not only defines a new canon but reveals how these folktales were hijacked and misappropriated in previous incarnations egregiously by Joel Chandler Harris a Southern newspaperman as well as by Walt Disney who cannibalized and capitalized on Harris s volumes by creating cartoon characters drawn from this African American lore Presenting these tales with illuminating annotations and hundreds of revelatory illustrations The Annotated African American Folktales reminds us that stories not only move entertain and instruct but more fundamentally inspire and keep hope alive The Annotated African American Folktales includes Introductory essays nearly 150 African American stories and 20 seminal African tales as historical background The familiar Brer Rabbit

classics as well as news making vernacular tales from the 1890s Southern Workman An entire section of Caribbean and Latin American folktales that finally become incorporated into the canon Approximately 200 full color museum quality images

Multicultural Literature for Children and Young Adults Ginny Moore Kruse,1997 A careful selection of children s and young adult books with multicultural themes and topics which were published in the United States and Canada between 1991 and 1996 Preface p vii

The Children's Ghost Story in America Sean Ferrier-Watson,2017-04-25 Ghost stories have played a prominent role in childhood Circulated around playgrounds and whispered in slumber parties their history in American literature is little known and seldom discussed by scholars This book explores the fascinating origins and development of these tales focusing on the social and historical factors that shaped them and gave birth to the genre Ghost stories have existed for centuries but have been published specifically for children for only about 200 years Early on supernatural ghost stories were rare authors and publishers fearing they might adversely affect young minds presented stories in which the ghost was always revealed as a fraud These tales dominated children s publishing in the 19th century but the 20th century saw a change in perspective and the supernatural ghost story flourished

Religiosity, Cosmology and Folklore Therese E. Higgins, 2014-05-22 This book presents background information on the beliefs customs traditions and cosmologies of several of Africa's foremost peoples relates these findings to each of Morrison's seven novels by highlighting the connections between the African root and the African American product and elucidates how this connection helps to understand and to clarify many of Morrison's allusions to the culture out of which she writes It presents a new way of reading Morrison's work that has been previously overlooked and moves beyond just African American culture delving into Africa and its people

The Things That Fly in the Night Giselle Liza Anatol, 2015-02-16 The Things That Fly in the Night explores images of vampirism in Caribbean and African diasporic folk traditions and in contemporary fiction Giselle Liza Anatol focuses on the figure of the soucouyant or Old Hag an aged woman by day who sheds her skin during night's darkest hours in order to fly about her community and suck the blood of her unwitting victims In contrast to the glitz glamour and seductiveness of conventional depictions of the European vampire the soucouyant triggers unease about old age and female power Tracing relevant folklore through the English and French speaking Caribbean the U.S. Deep South and parts of West

Africa Anatol shows how tales of the nocturnal female bloodsuckers not only entertain and encourage obedience in pre adolescent listeners but also work to instill particular values about women s proper place and behaviors in society at large Alongside traditional legends Anatol considers the explosion of soucouyant and other vampire narratives among writers of Caribbean and African heritage who in the past twenty years have rejected the demonic image of the character and used her instead to urge for female mobility racial and cultural empowerment and anti colonial resistance Texts include work by authors as diverse as Nobel Laureate Toni Morrison U S National Book Award winner Edwidge Danticat and science fiction fantasy writers Octavia Butler and Nalo Hopkinson *The Greenwood Encyclopedia of African American Folklore* Anand Prahlad,2006 Ghosts Jacqueline Laks Gorman,2002 Introduces ghosts describing what people believe about them and examples of sightings of different ghosts *Teaching Reading in Middle School* Laura Robb,2000 Get the big picture of teaching reading in the middle school including research as well as the practical details you need to help every student become a better reader Veteran teacher Laura Robb shares how to teach reading strategies across the curriculum present mini lessons that deepen students knowledge of how specific reading strategies work help kids apply the strategies through guided practice support struggling readers with a plan of action that improves their reading motivation and much more *The House that Jack Built* Hal Jackson,James Haskins,2003 The House That Jack Built is a true rags to riches American success story Hal Jackson is founder owner and Group Chairman of Inner City Broadcasting Corporation the largest black owned broadcasting network in the nation This is about a remarkable man whose determination and vision would make him one of the most significant figures in American radio and television history *The Greenwood Encyclopedia of African American Folklore: G-P* Anand Prahlad,2006 Contains over seven hundred entries on African American folklore including music art foodways spiritual beliefs and proverbs **Children's Catalog** H.W.
