Headlong A Novel:

Headlong Michael Frayn, 1999 Martin embarks on an obsessive quest to prove his hunch win over his wife separate the painting from its owner and resolve one of the great mysteries of European art BOOK JACKET *Headlong* Emlyn Williams, 1980-01-01 Headlong: A Novel, 2006 **Headlong** Michael Frayn, 1999 A British comedy in which academic Martin Clay is asked by a boorish country squire to assess his paintings Clay spots what he suspects is a Bruegel and so begins a tale of lies and concealment as he schemes to separate the painting from its owner **Headlong** Michael Frayn, 2000-09-01 Frayn combines the wit of Calvin Trillin with the wisdom of John Updike in this hilarious novel about an unlikely con man wagers wife wealth and sanity in pursuit of an elusive Old Master Headlong Simon Ings, 2014-06-12 Post cyberpunk SF that recalls the darkness of M John Harrison and the wild visual imagination of China Mieville and Hannu Rajaniemi HEADLONG felt ahead of the curve when first published and now serves to show just why Simon Ings has remained on the cutting edge of genre fiction Surgically connected to their swarming robotic workers architects Christopher and Joanne Yale are turning the moon into a paradise But now without warning the machines have pulled the plug and are building a new insane future away from the control of human minds *Headlong* Susan Varga, 2009 Julia has suddenly lost her husband and along with him her will to live The vital energetic old woman that her daughter Kati thought she knew has disappeared almost overnight How is Kati to cope with a mother constantly on the verge of suicide This finely wrought tale of love and conflict casts a searchlight into dark areas how people deal with ageing loss death and grief At what point are you allowed to say Life is not worth living The story is exquisite and captures the complications of parents and their adult children and matters around the quality of life **The Novels of Thomas Love Peacock** Bryan Burns, 1985-01-01 This is the first book to offer a literary analysis of Peacock s novels including the two ironic medieval romances Maid Marian and The Misfortunes of Elphin Other works included are Headlong Hall Melincourt Nightmare Abbey Crotchet Castle The Romances and Gryll Grange **Headlong from Heaven** Michael Valbeck, 1947 *The World's Greatest Books — Volume 07 — Fiction* Unknown, 2015-12-27 The World s Greatest Books Volume 07 An enterprise such as THE WORLD S GREATEST BOOKS is to be judged from two different standpoints It may be judged with respect to its specific achievement the material of which it consists or it may be judged with regard to its general utility in the scheme of literature to which it belongs In an age which is sometimes ironically called remarkable for its commercialism nothing has been more truly remarkable than the advancement in learning as well as in material progress and of all the instruments that have contributed to this end none has been more effective perhaps than the practical popularisation of literature In THE WORLD S GREATEST BOOKS an attempt has been made to effect a compendium of the world s best literature in a form that shall be at once accessible to every one and still faithful to its originals or in other words it has been sought to allow the original author to tell his own story over again in his own language but in the shortest possible space However we are aware that even THE WORLD S GREATEST

BOOKS will not escape the criticism of a small class of people who will profess to object to this as to any kind of interference with an author's original in reply to which it can only be said that such objections are seldom if ever made in the true interests of learning or in a genuine spirit of inquiry and too often only proceed from a knowledge of books or love of them which goes no deeper than their title page The selections in THE WORLD'S GREATEST BOOKS have been collected and are alphabetically arranged in ten different divisions namely Fiction Lives and Letters History Religion Philosophy Economics Science Poetry and Drama Travel and Adventure and Miscellaneous Literature An important additional feature of the work is the brief yet highly critical biographical and bibliographical note which accompanies every author and every selection throughout the twenty volumes To this must be also added the not less important Introductions and other explanations written by experts which often accompany the selections in the text cardinal examples of which will be found in particular in the section of Religion of this work in the articles dealing with such subjects as the Book of the Dead Brahmanism

Confucianism the Koran Talmud etc **The Breakfast Book** Andrew Dalby, 2013-06-01 You've heard it from doctors nutritionists and your mom breakfast is the most important meal of the day It's also one of the most diverse varying greatly from family to family and region to region even while individuals tend to eat the same thing every day While Americans traditionally like to chow down on eggs cereal and doughnuts the Japanese eat rice and miso soup and New Zealanders enjoy porridge But while we know bacon and sausage links belong alongside pancakes and waffles in the early morning hours we don't know how breakfast came to be Taking a multifaceted approach to the story of the morning meal The Breakfast Book collects narratives of breakfast in an attempt to pin down the mottled history of eating in the A.M. In search of what people have thought and written and tasted about breakfast Andrew Dalby traces the meal's origins back to the Neolithic revolution He follows the trail of toast crumbs from the ancient Near East and classical Greece to modern Europe and across the globe rediscovering stories of breakfast in three thousand years of fiction memoirs and art Using a multitude of entertaining breakfast facts anecdotes and images he reveals why breakfast is so often the backdrop for unexpected meetings why so many people eat breakfast out and why this often silent meal is also so reassuring Featuring a selection of historic and contemporary breakfast recipes from around the world The Breakfast Book is the first book to explore the history of this inimitable meal and will make an ideal morning companion to crumpets deviled kidneys and spanakopita alike
