Journey Into Light Gayle Rose Martinez, 1992 An inspiring and powerful story of a young woman's struggle for physical emotional and spiritual healing after her leg is almost severed in a motorcycle accident Compellingly told and immensely readable this book offers intimate glimpses of the author's personal weaknesses and shows the almost superhuman efforts to find an inner source of direction and purpose [Journey Into Light](#) Edna Tardiff, 2001 Edna was born and reared in a tiny community tightly related by religion if not by blood on the Canadian border in northern Maine Every facet and thought of her life centered in the church of her fathers its ceremonies traditions teachings and holidays All else was anathema false forbidden damning Read the gripping story in her own words of her journey from this darkness into the light of joyful freedom in the truth of the Scriptures In correspondence with a close relative who sought to reclaim her from apostasy to the church of her childhood she presents Biblical answers to some of the errors of her former belief Note her hearty reply What would you do if after being in a dark dungeon and being released you were standing in the glorious sunlight Would you go back in the dungeon **Journey to the Healer** Zion Thurston, 2022-10-14 In the black primordial cosmic sea of everything and nothing the waves of chaos crash into each other expanding contracting bursting into light creating life shrinking into darkness and then vanishes into death In this enigmatic place where time is nonexistent and light is lost to the eternal abyss of space Omari journeys to discover the genesis of himself As he journeys into a realm beyond the unimaginable and the

fantastic he contends with the essence of his triune existence He struggles with experiences unlocked by an unknown consciousness hidden in an ethereal place deep within his soul experiences hidden from the beginning of time immemorial even before the genesis of the formed universe Everything Omari was taught from birth to this moment is challenged as the boundaries of Omari s cemented world is shattered separating the trinity of his being into singular entities his mind body and spirit unraveling like a three cord rope warping his reality of space time continuum destroying the consciousness of his earthly identity and exposing the dysfunctionality of his triune being His twenty eight years of knowledge dissipate like a vapor as his encounter with the unknown forces him to reconsider the reality he has come to accept as truth Confronted by this new reality a consciousness beyond man s imagination Omari becomes aware of the dysfunctionality and the divisions within his soul an ongoing war that rages on between his body mind and spirit Awakened to this turmoil of his soul Omari also learns of a path that leads to the Healer A path he must now travel for the reunification and reconciliation of the trinity of his being and be healed of the afflictions that he has learned is the root cause of all mankind sorrow *Quantum Healing Secrets: A Beginner's Journey into Wellness and Enlightenment* DR. Reiki: Universal Gift of God's Healing Love Level I and II Training Manual Eileen Curteis,2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God's universal gift

for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed
