Healing As A Parish Ministry Mending Body Mind And Spirit:

Healing as a Parish Ministry Leo Thomas,Jan Alkire,1992-01 *Healing Ministry* Leo Thomas,Jan Alkire,1994 Dominican priest Leo Thomas applies the wisdom of pastoral care to the ministry of religious healing He does so with practical concrete step by step explanations of how to offer healing to those who are hurting The book s goal is to show Christians lay and ordained Catholic and Protestant how to minister together in a powerful way so that hurting people can experience the healing love of God who meets them in their need The end of each chapter contains reflection questions to help readers bring healing into their own lives while deepening their spirituality Also included are chapter summaries and a list of recommended resources that expand upon the subjects covered Mending Broken Relationships, Building Strong Ones John Boucher,2015-08-01 We all struggle with relationships that are broken in some way In this book authors John and Therese Boucher show us eight ways to love like Jesus through intercessory prayer respect forgiveness gratitude affirmation forbearance honesty and a healing presence These are gifts that are given to us through the power of the Holy Spirit Like seeds that are placed in the earth these virtues and gifts can grow with prayer mutual support and practice and become the paths to strong and fulfilling relationships Each chapter focuses on a different path to love Many real life stories including those from the saints help readers to connect these virtues and gifts to their own lives *The Art of Healing Prayer* Charles R. Ringma,Mary Dickau,2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God s grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others **The Sacraments** Joseph Martos,2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see www TheSacraments org
