Healing The Hurting Giving Hope And Help To Abused Women:

Healing the Hurting Catherine Clark Kroeger, James R. Beck, 1998 A call for individuals and churches to confront abuse in the church resulting in healing for survivors and abusers Beyond Abuse in the Christian Home Catherine Clark Kroeger, Nancy Nason-Clark, Barbara Fisher-Townsend, 2008-08-15 In January 2004 a newly founded evangelical organization called PASCH was formed The word denotes the Passover or time of new beginnings when God kept people safe in their own homes before leading them into freedom from abuse and oppression Yet the word PASCH also stands for Peace and Safety in the Christian Home PASCH began as a small group of therapists sociologists domestic violence experts clergy biblical scholars survivors and dedicated Christians In essence PASCH was born out of the cries confusion and frustration of the people of God As we encountered many horrifying situations of domestic abuse in Christian homes those of us who seek to address various aspects of the issue concluded that we needed a fellowship of concerted study prayer and action It was the dream of Catherine Clark Kroeger that an edited book might emerge from the 2005 and 2006 PASCH conferences in order that the papers presentations and discussions might be widely available We found that to make that happen we needed to work together that each of us possessed one piece of the puzzle and that by God's grace we could collectively begin to put the pieces together The topic of abuse is ugly which is why so many Christians shy away from discussing it But in this volume we have tried to present an accurate faith based analysis of abuse in the Christian family context We hope that various chapters stimulate discussion sometimes debate and in so doing prompt pastor and people to action We call on you the reader to consider the various ideas and perspectives offered throughout the book Hopefully each chapter will prompt you to consider afresh how you conceptualize violence among families of faith Like you the reader the contributors to our collection come from various faith traditions work in different contexts and see the issue in part based on their own narrative and training Yet despite our differences and our ongoing debates we are unanimous that violence has no place in the home Every home should be a safe place every home a shelter When abuse occurs in families of faith it is the responsibility of the church to offer compassion and support to victims and to call those who act abusively to accountability and justice Our edited collection includes Dan Allender speaking from the heart about the impact of the fall on relationships between men and women Al Miles reflecting on his pastoral experience of the difficulties and opportunities of speaking out against violence in Christian families Bruce and Karen McAndless Davis offering one couple's story of the long journey toward accountability and dramatic change Julie Owens retelling her own dramatic story of abuse the life imprisonment of her ex partner and what she wished every pastor knew about domestic violence *Encyclopedia of Domestic Violence* Nicky Ali Jackson, 2007 Aims to provide information on a variety of traditional and breakthrough issues in the complex phenomenon of domestic violence Encyclopedia of Domestic Violence Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research The first ever publication of an encyclopedia

Religion and Intimate Partner Violence Nancy Nason-Clark,Barbara Fisher-Townsend,Catherine Holtmann,Stephen McMullin,2018 Intimate partner violence is a complex ugly fear inducing reality for large numbers of women around the world When violence exists in a relationship safety is compromised shame abounds and peace evaporates Violence is learned behavior and it flourishes most when it is ignored minimized or misunderstood When it strikes the homes of deeply religious women they are more vulnerable more likely to believe that their abusive partners can and will change less likely to leave a

violent home temporarily or forever often reluctant to seek outside sources of assistance and frequently disappointed by the response of the religious leader to their call for help These women often believe they are called by God to endure the suffering to forgive and to keep on forgiving their abuser and to fulfill their marital vows until death do us part Concurrently many batterers employ explicitly religious language to justify the violence towards their partners and sometime they manipulate spiritual leaders who try to offer them help Religion and Intimate Partner Violence seeks to navigate the relatively uncharted waters of intimate partner violence in families of deep faith The program of research on which it is based spans over twenty five years and includes a wide variety of specific studies involving religious leaders congregations battered women men in batterer intervention programs and the army of workers who assist families impacted by abuse including criminal justice workers therapeutic staff advocacy workers and religious leaders The authors provide a rich and colorful portrayal of the intersection of intimate partner violence and religious beliefs and practices that inform and interweave throughout daily life Such a focus on lived religion enables readers to isolate examine and evaluate ways in which religion both augments and thwarts the journey towards justice accountability healing and wholeness for women and men caught in the web of intimate partner violence

Religion and Sexuality Pamela Dickey Young,Heather

Shipley, Tracy J. Trothen, 2015-01-31 The relationship between religion and sexuality is often framed as inherently conflictual. Religious groups and ideologies have long influenced the public regulation of sexuality and recent controversies include religious opposition to same sex marriage, sex education in schools and non traditional expressions of sexual identity. But what actually happens when religion and sexuality converge in contemporary contexts? Religion and Sexuality challenges the commonly held assumption that religion's relationship to sexuality is solely bound up with regulation. In this provocative examination of both sexual and religious diversity, chapters go beyond the familiar debates over tolerance and accommodation to explore the ways in which various forms of religious affiliation and sexual identity do in fact co exist. Drawing on interviews and analyzing media representations, legislation and public discourse on topics such as education, economics and same sex marriage in North America and the United Kingdom, this volume foregrounds the complexity and multiplicity of religious and sexual identities and practices.

Domestic Violence Jean A. Dimock, 2024-04-09 In addressing men on women violence, Domestic Violence: Identification and Restoration provides a look into the lives of the men who are perpetrators as well as the women and children who experience domestic violence. The resulting physical and mental health issues related to women and children are addressed as well as the personality characteristics of an abuser and the common behaviors oppressors use in the home and in public. The behaviors they commonly exhibit after separation are exposed, including the tactics generally used to sway the court, their lawyer and their own family and friends in their favor. Domestic Violence explores what happens to brain neurology in women and children when both witnessing abuse and also when directly experiencing abuse. Included are steps to help women and children as well as scriptural encouragement for the victims and survivors at the end of each chapter. Also viewed are the difficulties experienced by the connected parents of the victim; partner subject matter hardly ever if ever addressed. This book includes fundamental and indispensable information in one volume and is meant to not only help women and children in domestic violence situations but also to educate the professional and ignite further research.
