Pamela Kacys and Kenneth Bonner, 2016-10-22 We believe that the Holy Spirit is calling the Body of Christ back to the move of God that existed in the early Church in the book of Acts It is God s desire that we return not only to the miracles of the early Church but also to the intimacy of daily fellowship with the Father and the Holy Spirit and each other May you receive a personal revelation in both your soul and your spirit that not only is God able to heal today but more importantly He Prosper Your Soul, Beloved Vicki Heymann, 2020-12-03 Beloved I pray that you may prosper in all is willing to heal you things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book s title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out The Worldview of the Word of **Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism "Do This in Remembrance of Me" Paul L. Staack, 2019-11-12 Do This in Remembrance of Me is a fifty two week devotional written to transform Communion from a religious ritual into a powerful experience with God The truths in this

Ricky Edwards, 2017-10-06 There are two areas in which Christians tend to struggle consistently Most agree that all Christians have to deal with the devil but do all Christians know they have to deal with themselves their soul and their body The Soul Renew Your Mind To Save Your Soul is an indispensable book that reveals profound truths It is an enlightening line upon line examination of Biblical Scripture that conveys the significance and responsibility each Christian has to invest their time with God and pore over His WORD on a daily basis that they may be victorious in this life and not just in Heaven This is a message to bring enlightenment and knowledge If we desire well come up to it and we ll walk in greater victory Rev Ricky Edwards
