Healing Methods of the Jews Until the Time of Jesus Christ George Gordon Dawson, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Leaves of Healing* ,1929 Commentary on the Holy Scriptures of the New Testament Averky Taushev, 2021-01-04 Archbishop Averky approaches the New Testament first and foremost not as a literary work of antiquity but as the revelation of Jesus Christ as God in the flesh Writing in the tradition of biblical exegetes he provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language His commentary on the Book of Acts deals with questions of authorship and time of composition He elucidates the moral and pastoral aspects of the Pauline and Universal Epistles and the Book of Revelation The final commentary on the Apocalypse in which Archbishop Averky relies heavily on the ancient commentary of St Andrew of Caesarea is provided in the popular translation by Hieromonk Seraphim Rose together with the Scriptural text itself Archbishop Averky s commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present collection makes the complete commentary available in one collection for the first time It is an indispensable addition to the library of every student of Holy Scripture

The Acts of the Apostles Averky Taushev, 2017-09-01 Writing in the tradition of biblical exegetes such as St John Chrysostom Blessed Theophylact of Bulgaria and St Theophan the Recluse the work of Archbishop Averky Taushev provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Using the best of prerevolutionary Russian sources these writings also remained abreast of developments in Western biblical scholarship engaging with it directly and honestly In this second of three planned volumes the author explains the significance of the Church s earliest history as recorded in the Book of Acts Questions of authorship and time of composition are also addressed Archbishop Averky s commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present volume is the first translation of these texts into English it is an indispensable addition to the library of every student of the New Testament

Christian Science Sentinel ,1905 **The Gospel of John and Jewish-Christian Relations** Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to *hoi ioudaioi* a designation most often and

best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world
