*Internet and Personal Computing Fads* James Van Roekel, Mary Berry, MaryAnn Bell, 2004-04-21 An easy to understand guide to often confusing computer Internet jargon Internet and Personal Computing Fads is an A to Z reference book written in a straightforward style that is informative enough for library use but informal enough for general reading This essential guide takes a practical look at the most often seen computer and

Bioterrorism and Political Violence M. Sandra Wood, 2024-11-15 The Internet can be a bewildering maze of information often from questionable sources This book points the way to reliable information on bioterror Since the September 11 attacks there has been an unparalleled demand for information on bioterrorism Bioterrorism and Political Violence Web Resources is an ideal guide for people around the world who are turning to the Internet to find that information This essential book provides you with comprehensive listings of many helpful websites focusing on those run by government agencies professional organizations and educational institutions Because of the dynamic nature of the Internet Bioterrorism and Political Violence Web Resource also gives you tips on searching for other useful sites It examines sites covering the full spectrum of concerns from anthrax and hate crimes to nuclear terrorism and disaster preparedness Bilingual resources and

ways to help children cope with our rapidly changing world are also highlighted throughout It s been said that information is the best defense and with this book you ll be able to find the information you need Bioterrorism and Political Violence Web Resources will also show you how to find reliable information on related topics including post traumatic stress disorder terms and issues related to terrorism in the Middle East sites that honor the victims of the September 11 attacks dealing with bereavement and grief the psychological impacts of terrorism

**Collection Development in a Digital Environment** Sul H Lee,1999-09-20 Librarians and other library professionals will find this informative book chock full of thought provoking papers that will help you find new solutions to the collection development problems your library may experience while facing this new digital age Collection Development in a Digital Environment is a result of papers presented at the 1998 University of Oklahoma Libraries Conference You will discover ways to help your library take the lead in advancing the academic agenda through technology while at the same time leaning how technology requires change in the way libraries themselves operate Collection Development in a Digital Environment explores ethical and technological dilemmas of collection development and gives several suggestions on how your library can successfully deal with these challenges and provide patrons with the information they need This guide covers many valuable ways that your library can be better prepared for developing a user friendly collection of materials in this new digital age You will discover how methods to shift your library from buying materials for collections for faculty or students that may need them sporadically to a system of responsiveness and customization where just in time and just for you are the standards of information access making you and your library both time effective and cost effective Collection Development in a Digital Environment brings to light many ways in which libraries can improve collection development methods such as using the Association of Research Libraries ARL initiatives to improve global access to information such as the Global Resources Program which features a seamless web of interconnected coordinated and interdependent research collections that are electronically accessible to users examining discussions on scenario driven planning and the benefits of having your patrons let you know what they are interested in instead of guessing what materials they may be interested in analyzing the influence of the World Wide Web on the role of libraries to discover how you can use these ideas to expand the collection of materials in your library gaining insight into how the concept of disintermediation in the publishing process will help libraries use the electronic environment to eliminate intermediate sources and collect materials directly from the publisher thus saving time and money From the insightful chapters in Collection Development in a Digital Environment you will find new and successful ways to use the new digital environment to enhance collection development in your library This unique book will help your library be more digitally accessible while still being user friendly to your clientele

*The Medical Library Association Guide to Providing Consumer and Patient Health Information* Michele Spatz,2014-05-01 Comprised of fifteen chapters written by experienced consumer health librarians The Medical Library Association Guide to Providing Consumer and Patient Health Information is designed for library and

information science graduate students as well as librarians new to health and medical librarianship regardless of library setting It is comprehensive in scope covering all aspects of consumer and patient health and medical information from their humble grassroots beginnings to the ever evolving applications of new technology and social media In between the mundane aspects of health and medical librarianship such as needs assessment costs budgeting and funding and staffing are discussed Adding richness to this discussion are the coverage of more sensitive topics such as patient friendly technology ethical issues in providing consumer and patient health information meeting the needs of diverse populations and responding to individuals from various cultural backgrounds No comprehensive picture of consumer and patient health librarianship would be complete without addressing the critical importance of marketing and strategic partnerships such discussions round out this invaluable guide Patients today must be knowledgeable enough to participate in their health and well being Shorter hospital stays changing reimbursement patterns and the gradual shift towards focusing on proactively maintaining health and managing disease require patients to be informed and actively engaged Education information and understanding are important components of actively engaged patients Correspondingly in today's world there is a glut of information resources available through the Internet from YouTube videos to Googling to blogs and Twitter feeds What is lacking in these information rich times is the relevance of meaning and context for those who ask Does this health and medical information apply to me and my unique clinical picture or How do I use this information As knowledge navigators information technology wizards and content experts librarians offer focused responses to individuals specific and highly personal health and medical information queries In a new healthcare world order of optimizing health and minimizing hospitalizations such a service is invaluable Sadly there still exists in our highly networked and technological age an information gap for those who struggle in obtaining meaningful health or medical information These individuals may be foreign born non English speaking poor rural aged or semi literate Whatever their status librarians must have the wherewithal to find germane resources and also help create responsive mechanisms to bridge that health information gap for vulnerable citizens The Medical Library Association Guide to Providing Consumer and Patient Health Information will guide you on the road to providing that response

*Medical Library Downsizing* Michael Schott, 2014-07-16 Learn how to stay ahead of the game when budgets and staff are cut Medical Library Downsizing Administrative Professional and Personal Strategies for Coping with Change explores corporate downsizing and other company wide events as they relate to medical librarians in their organization This training manual is designed to help librarians prepare for a new era where shrinking budgets inflated journal costs and the increasing demand for new and expensive services now put salaries and jobs at risk While focused on health care issues this book will appeal to a general library audience and can be used in a graduate course in library administration corporate librarianship or hospital librarianship Medical Library Downsizing investigates the BCEs Bad Corporate Events that can negatively affect a librarian including an across the board budget cut a downsizing a restructuring also called a re organization or re

engineering a buyout a merger a consolidation With Medical Library Downsizing you will learn how to prepare for the possibility of a BCE what signs to look for that a BCE is about to take place and how to weather the storm The book provides the typical patterns for a downsizing budget cut merger or pension buyout teaching you step by step to make the most out of each possible scenario This unique guide uses sardonic wit and entertaining examples to bring home each lesson making Medical Library Downsizing a vital asset to librarians in any field Medical Library Downsizing will help you deal with consultants who recommend downsizing and outsourcing staff communications planning your survival and your escape route presentations to help you keep your job implementing change re training staff and more **The Herbal Internet**

**Companion** David J Owen,2001-11-15 This valuable and timely book Winner of the International Herb Association s 2002 Book Award will help you navigate the sea of information about herbs and herbal remedies on the Internet Besides listing hundreds of reliable Internet sites and what you ll find there it discusses criteria for assessing the quality of health information on the Internet This book will show you how to find mailing lists chat rooms and newsgroups providing herbal information answers to specific consumer patient questions information about laws standards and regulations governing herbal products organizations dealing with herbal medicine consumer protection health fraud and quackery Internet resources in specialized health areas such as cancer and AIDS online indexes and databases such as MEDLINE and much more Complete with easy to read tables and charts as well as a glossary of terms you ll encounter on these Web sites The Herbal Internet Companion Herbs and Herbal Medicine Online is the resource that puts the power of the Internet in your hands To view an excerpt online find the book in our QuickSearch catalog at [www.HaworthPress.com](http://www.HaworthPress.com) **Healthcare**

**Informatics and Information Synthesis** John W. Williamson,2002 Gives a step by step approach to information synthesis which it defines as a systematic review of research using a number of examples using different types of data *Concise Encyclopedia of Chronic Fatigue Syndrome* Roberto Patarca Montero,2021-11-18 Are you in touch with the latest CFS information The Concise Encyclopedia of Chronic Fatigue Syndrome summarizes current knowledge about Chronic Fatigue Syndrome CFS to help doctors and those working with CFS patients become familiar with recent developments and lessons learned about this and related fatiguing disorders The information has been thoughtfully organized so that you will be able to easily access and become familiar with highlights of the most relevant topics The Concise Encyclopedia of Chronic Fatigue Syndrome will bring you up to date on advances in cardiovascular medicine endocrinology epidemiology immunology infectious diseases neurology psychiatry and psychology which have served as the basis for the formulation of new lines of research and novel therapeutic interventions for CFS You ll find valuable information on the A to Z of CFS in the Concise Encyclopedia of Chronic Fatigue Syndrome including the relationships between AIDS and fatigue brain injury and fatigue cancer and fatigue as well as demographics of CFS interstitial cystitis MAO inhibitors neuropsychology of CFS psychosocial measures stress factors tumor necrosis factors and much more Comprehensive and thorough the Concise Encyclopedia of
