## Edge Of Sanity:

Swedish Death Metal Daniel Ekeröth, 2008 Includes A Z of Swedish death metal bands encyclopedia with band histories and performers     The Psychotronic Video Guide To Film Michael Weldon, 1996 The bible of B movies is back and better than ever From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today s Golden Age of Video all described with Michael Weldon s dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan     Horror Films of the 1980s John Kenneth Muir, 2010-07-28 John Kenneth Muir is back This time the author of the acclaimed Horror Films of the 1970s turns his attention to 300 films from the 1980s From horror franchises like Friday the 13th and Hellraiser to obscurities like The Children and The Boogens Muir is our informative guide Muir introduces the scope of the decade s horrors and offers a history that draws parallels between current events and the nightmares unfolding on cinema screens Each of the 300 films is discussed with detailed credits a brief synopsis a critical commentary and where applicable notes on the film s legacy beyond the 80s Also included is the author s ranking of the 15 best horror films of the 80s     **The Split Second** Michael Wexler, John Hulme, 2010-12-15 Becker Drane has still got the coolest job in the world but being a Fixer in The Seems while trying to live a normal 13 year old life is sometimes impossible On the way to a family holiday a bomb explodes in the Department of Time and Becker is called in to repair the damage He discovers a path of destruction way beyond his wildest imagination and his faith in The Seems as well as in his abilities as a Fixer are shaken to the core But help comes from a new and ambitious Fixer as well as a legend from the past and soon Becker is winning out in his battle against dark forces     *It Came from the 80s!* Francesco Borsetti, 2016-08-16 From their heyday in the 1950s and 1960s B movies declined in popularity through the 1970s As the big Hollywood studios began to make genre films with sky high budgets independent producers of low budget movies could not compete in theaters The sale of American International Pictures in 1979 and New World Pictures in 1983 marked the end of an era The emergence of home video in the 1980s marked the beginning of a new phase as dozens of B movies were produced each year for the small screen many becoming cult classics of science fiction horror and fantasy Through numerous interviews with producers directors photographers and actors this book sheds light on an overlooked corner of film history with behind the scenes stories of 28 low budget favorites from the 1980s     Mean Deviation Jeff Wagner, 2010 Revered former Metal Maniacs editor Jeff Wagner analyses the heady side of metal in this exhaustive narrative history of a relentlessly ambitious musical subculture Beginning with the hugely influential mid 1970s efforts of progressive rock acts Rush and King Crimson Wagner unfurls a vast colourful tapestry of sounds and styles from the Big 3 of Queensryche Fates Warning and Dream Theater to the extreme prog pioneers Voivod Watchtower Celtic Frost and others     **Harry Alan Towers** Dave Mann, 2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the

protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives *Post-Mortem* Jon Wells,2009-07-27 A jogger is running near the perimeter of the African Lion Safari theme park in southern Ontario when he stumbles across a near mummified skeleton in a field The skeletal remains are studied at the Hamilton morgue by a forensic pathologist a forensic anthropologist and a forensic entomologist known as the bug lady The victim is female non Caucasian But who is she Enter Hamilton homicide investigator Paul Lahaie and his team During the investigation a forensic detective hits upon the secret to cracking the identity of the dead woman The hardened skin on the fingertips is rehydrated rolled for prints And a match is found Yvette Budram a woman from Guyana who emigrated to Canada and married a man named Mohan Ramkissoon Her prints happened to be in the CPIC system because she has a criminal record for uttering death threats against her husband Detectives search Mohan and Yvette s Mississauga house They find a hole cut in the bedroom mattress and blood residue around it Yvette s blood And her blood on the TV And in the trunk of Mohan s car They believe he drove her body to the country field outside Hamilton and dumped her A manhunt ensues and Mohan is taken into custody but he denies it all and points suspicion at a man he claims Yvette had an affair with whose nickname is Happy This CSI style story is wrapped up in court with a surprising revelation from a jail cell There was justice at last for Yvette Budram Serial Killer Cinema Robert Cettl,2007-10-18 The release of *Silence of the Lambs* in 1991 which swept the major Academy Awards categories legitimized the serial killer movie a genre that dates back as far as the silent era From *Absence of the Good* to *Zodiac Killer* this reference work allows a detailed study of the development of the serial killer film as a distinct genre with its own character types narrative patterns and styles An introduction outlines the historical evolution of this film genre and covers the whole range of cinematic interpretations from the response to Jack the Ripper and other real life serial killers through the late 1960s to the current state of the genre Arranged alphabetically by title the filmography covers over 500 feature films and select television movies Each entry contains a listing of the film s main credits a synopsis of the film a summary of the film s respective merits and a discussion of how they fit into the themes and structures outlined in the introduction Only films that portray the serial killer as a repeat pattern killer and directly or by suggestion reveal the killer s aberrant sexual motivations or their craving for manipulation domination and control with subsequent desires to punish women or society are included **The Twisted Game** Pasquale De Marco,2025-05-09 Prepare to be captivated by The

Twisted Game a gripping psychological thriller that delves into the murky depths of deception and the fragility of the human psyche Within its pages you ll encounter a cast of enigmatic characters who navigate a labyrinth of lies secrets and betrayals As they pursue their own hidden agendas the lines between truth and falsehood blur leaving you questioning the very nature of reality The Twisted Game exposes the darkness that lurks beneath the surface exploring the depths of depravity and the fragile nature of sanity It challenges our assumptions about trust and loyalty forcing us to confront the monsters that we may be harboring within ourselves Through its exploration of complex themes and unforgettable characters The Twisted Game invites us to question our own motives and the choices we make It is a cautionary tale about the dangers of deception the allure of power and the resilience of the human spirit As you navigate the treacherous labyrinth of the human condition you ll be kept on the edge of your seat eager to uncover the secrets that lie hidden beneath the layers of deceit The Twisted Game is a psychological thriller that will haunt your thoughts long after you finish reading its final pages Embark on this twisted game where appearances deceive and the truth is elusive Prepare to be captivated by a gripping narrative that will challenge your perceptions and leave you questioning the very nature of reality If you like this book write a review on google books

[Living Hell](#) Michael C. C. Adams, 2016-09-15 A senior military historian presents an unflinching account of the human costs of the Civil War Many Americans argues Michael C C Adams tend to think of the Civil War as more glorious less awful than the reality Millions of tourists flock to battlefields each year as vacation destinations their perceptions of the war often shaped by reenactors who work hard for verisimilitude but who cannot ultimately simulate mutilation madness chronic disease advanced physical decay In *Living Hell* Adams tries a different tack clustering the voices of myriad actual participants on the firing line or in the hospital ward to create a virtual historical reenactment Perhaps because the United States has not seen conventional war on its own soil since 1865 the collective memory of its horror has faded so that we have sanitized and romanticized even the experience of the Civil War Neither film nor reenactment can fully capture the hard truth of the four year conflict *Living Hell* presents a stark portrait of the human costs of the Civil War and gives readers a more accurate appreciation of its profound and lasting consequences Adams examines the sharp contrast between the expectations of recruits versus the realities of communal living the enormous problems of dirt and exposure poor diet malnutrition and disease He describes the slaughter produced by close order combat the difficulties of cleaning up the battlefields where tens of thousands of dead and wounded often lay in an area of only a few square miles and the resulting psychological damage survivors experienced Drawing extensively on letters and memoirs of individual soldiers Adams assembles vivid accounts of the distress Confederate and Union soldiers faced daily sickness exhaustion hunger devastating injuries and makeshift hospitals where saws were often the medical instrument of choice Inverting Robert E Lee s famous line about war Adams suggests that too many Americans become fond of war out of ignorance of its terrors Providing a powerful counterpoint to Civil War glorification *Living Hell* echoes William Tecumseh Sherman s comment that war is cruelty and cannot be refined Praise for *Our Masters the Rebels* A Speculation on Union Military Failure in the East 1861-1865 This excellent and provocative work concludes with a chapter suggesting how the image of Southern military

superiority endured in spite of defeat Civil War History Adams s imaginative connections between culture and combat provide a forceful reminder that Civil War military history belongs not in an encapsulated realm with its own categories and arcane language but at the center of the study of the intellectual social and psychological currents that prevailed in the mid nineteenth century Journal of American History Praise for The Best War Ever America and World War II Adams has a real gift for efficiently explaining complex historical problems Reviews in American History Not only is this mythologizing bad history says Adams it is dangerous as well Surrounding the war with an aura of nostalgia both fosters the delusion that war can cure our social ills and makes us strong again and weakens confidence in our ability to act effectively in our own time Journal of Military History

**Atonement and Tribulation** Pasquale De Marco,2025-05-02 Atonement and Tribulation confronts the darkest aspects of human nature exploring the psychological complexities of trauma guilt and redemption Through a series of introspective chapters the book delves into the hidden recesses of the human psyche shedding light on the capacity for both great evil and profound good Readers will encounter characters grappling with the lingering effects of childhood abuse the corrosive burden of guilt and the destructive nature of toxic relationships The book examines the fine line between love and obsession the fragile boundaries of sanity and the transformative power of forgiveness Atonement and Tribulation is a literary exploration of the human condition offering a profound and unsettling examination of the choices that shape our destinies It is a book that will resonate with readers long after the final page is turned leaving a lasting impact on their understanding of themselves and the world around them Written in a thought provoking and accessible style Atonement and Tribulation is an invitation to confront the darkness within and embrace the light that resides beyond it Through its exploration of complex moral dilemmas and the search for redemption the book challenges readers to question their own beliefs and values ultimately leading to a deeper understanding of the human experience With its unflinching portrayal of human suffering and its unwavering belief in the power of hope Atonement and Tribulation is a powerful and transformative read It is a book that will stay with readers long after they finish it prompting them to reflect on the complexities of the human condition and the enduring strength of the human spirit If you like this book write a review on google books

**Sleepwalker** Wendy Corsi Staub,2012-09-25 A woman is pursued by a dangerous predator in New York Times bestselling author Wendy Corsi Staub s Sleepwalker If you like Mary Higgins Clark you ll love Wendy Corsi Staub 1 New York Times bestselling author Lisa Jackson It has been a decade since the chaos and horror of the 9 11 terrorist attacks in New York City Allison MacKenna barely escaped death on that terrible day at the hands of a serial killer Now she realizes that the nightmare is not over and it may be closer to home than she ever imagined Praise for the Nightwatcher novels A suspense filled ride that keeps the shocks coming As always Staub leaves us wanting more 4 stars Romantic Times Book Reviews Staub is boss when it comes to relaying fictionalized accounts of revulsion Suspenseful powerful tense and as usual wonderfully written with an ending that will leave you guessing A great read Suspense Magazine The thrills are near

constant and combined with the waking nightmare state of 9 11 result in a high tension and deeply visceral tale that will leave readers in a crippling state of uncertainty The fear the paranoia the desperation it leaps right off the page and gets under your skin Criminal Element Nightwatcher Nightwatcher Sleepwalker Shadowkiller **Molested--Why Me?** Laura Beth Camden,2008 Laura Beth Camden is the pen name of this author Ms Camden was molested as a young teenager and later by her pastor For years she struggled with shame and guilt of actions that were no fault of her own She feels that the Lord has led her to write a book that would help other victims of molestation to cope and to absolve themselves of guilt Page 4 of cover *Stepping Through the Phases* Janet L.
