

A large, gnarled tree with a bright starburst light in its branches, casting a warm glow over a vast field of people. The scene is set in a hazy, golden light, suggesting a sunrise or sunset. The tree's trunk is thick and textured, with its branches spreading out across the top of the frame. The starburst light is a bright, multi-pointed star, emanating from a point in the tree's canopy. The field below is filled with a dense crowd of people, their heads visible as a sea of dark shapes against the lighter background. In the distance, a lone figure stands on a small rise, looking out over the vast expanse. The overall mood is one of hope and guidance.
